K. Jena, 176 Maniktola Main Road, Calcutta-54, regarding the issue mentioned in the said order being a matter specified in the Third Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal ;

And whereas the said Third Industrial Tribunal has submitted to the State Government its award on the said industrial dispute ;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

For the Bengal Chemical Shramik Congress : Shri N. Roy, Advocate.

For the Bengal Chemical Mazdoor Union : Shri Surendra Nath Sahu, Executive Member of the Mazdoor Union.

For the Company: Shri D. K. Das Gupta, Advocate.

AWARD

By order No. 390-I.R./IR/11L-53/66, dated the 1st February 1967, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. Bengal Chemical and Pharmaceutical Works Ltd., 164 Maniktola Main Road, Calcutta-54, with its unit at Panihati, 24-Parganas and their workmen represented by (1) Bengal Chemical Sramik Congress, 174/5 Maniktola Main Road, Calcutta-54 and (2) Bengal Chemical Mazdoor Union, house of S. K. Jena, 176 Maniktola Main Road, Calcutta-54, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

To what quantum of bonus are the workmen entitled for the accounting year 1965-1966 under the Payment of Bonus Act ?

On receipt of the notices issued by this Tribunal, all the parties entered appearance and filed their respective written statements in the case on

different dates. Subsequently on 12th November 1969, the Company and their workmen represented by Bengal Chemical Shramik Congress, filed a joint petition stating that the dispute was amicably settled beween the parties by an agreement, dated the 1st October 1969, a copy of which was annexed to the said joint petition, and praying for passing an award in terms of the said settlement. But the other Union concerned, viz., Bengal Chemical Mazdoor Union, was not a party to that agreement or to the petition, dated 12th November 1969, already referred to. Hence, no order could be passed on that joint petition on that date, i.e., on 12th November 1969. The Bengal Chemical Mazdoor Union did not also turn up on 12th November 1969 and did not take any steps in the case on that date. So, the case was adjourned to 22nd November 1969 for necessary orders. On that date the Bengal Chemical Mazdoor Union filed a petition admitting that by a settlement, dated 1st October 1969, the dispute in question has been really settled and admitting further that the said settlement is binding on Bengal Chemical Mazdoor Union as well. An award in terms of that settlement has also been prayed for by Bengal Chemical Mazdoor Union in its petition, dated 22nd November 1969. That being so, I can easily come to the conclusion that the dispute has really been settled between the parties by an agreement, dated 1st October 1969, a copy of which is annexed to the original petition, dated 12th November 1969. The said settlement is signed by the representatives of Bengal Chemical Shramik Congress and the Company and the terms thereof have also been accepted by the other Union, viz., the Bengal Chemical Mazdoor Union by its petition, dated 22nd November 1969. The terms of settlement are fair, reasonable and lawful, and hence I accept the same. In the result, I pass an award in the case in terms of the said settlement making the same and the petition, dated 22nd November 1969 (filed by Bengal Chemical Mazdoor Union), a part of the award as Annexures "A" and "A1".

AWARD

By Labour Department order No. 5480-I.R./IR/11L-210/69, dated 24th July 1969, the Governor was pleased to refer the instant dispute between Messrs. Hindusthan Pilkington Glass Works Limited, 4 Chittaranjan Avenue, Calcutta-13, and their workmen represented by Hindusthan Pilkington Glass Works Limited Head Office Employees' Union, 249 Bepin Behari Ganguly Street, Calcutta-12, under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/67, dated the 11th March 1957, for adjudication, on the following issue :

Issue

Bonus for 1967.

On receipt of the reference usual notices were issued on the parties directing them to appear on 21st August 1969, for taking necessary direction for filing written statements. On that day both the parties appeared. On 28th August 1969, the Union filed written statement. The Company was directed to file written statement by 17th September 1969. But neither on 17th September 1969, nor on 27th September 1969, to which day the case was adjourned for filing written statement, the Company filed any written statement. On 27th September 1969, the case was adjourned to 28th October 1969, for filing written statement by the Company. The Company was warned by a notice that if it did not file written statement by that day the matter would proceed exparte in its absence. On 28th October 1969 the service return was not received back and the case was adjourned to 25th November 1969 for service return or filing written statement by the Company. Today the parties have filed a petition of compremise praying that the reference should be disposed of in terms of the petition of compromise. I have perused the petition of compromise. Its terms appear to be lawful and beneficial to the workman. It has been executed according to law. The compromise should, therefore, be accepted.

The reference is disposed of in terms of the petition of compomise which shall form part of the award as Annexure "A".

Short recital of the case :

The Union raising a dispute demanded 20 per cent. Bonus (Profit Sharing) for the workmen for the accounting year ending on 31st December 1967. The Management contended that only 4 per cent. Bonus was payable as per the audited balance sheet, Profit and Loss Account and available surplus. After several discussions, both the parties agreed to refer the dispute to a Tribunal in Tripartite Conference on 31st August 1968 after making an advance to the extent of 10.5 per cent. Basic and D.A. earned by all workmen who are entitled to Bonus as per the payment of Bonus Act during the said period. This advance payment is to be adjusted with Award given by the Tribunal. The case was accordingly referred in the First Industrial Tribunal at Calcutta and pending at present. The parties, however, discussed the matter once again and finally settled the issue out of Court on the following terms:

Terms of settlement

(1) It is agreed to by and between the parties that all workmen who are entitled to Bonus as per payment of Bonus Act, 1965, will get 4 per cent. Bonus as per the payment of Bonus Act, 1965, for the accounting year ending on 31st December 1967.

(2) It is further agreed to by and between the parties that all workmen who are entitled to Bonus as per payment of Bonus Act, 1965. will be paid an ex-gratia to the extent of 6.5 per cent. of their Basic and D.A. earned by them during the said period.

(3) It is further agreed to by and between the parties that they will make a joint petition to the First Industrial Tribunal at Calcutta praying for an Award in terms of this amicable settlement of the issue referred for adjudication and thus dispose of the matter finally.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal

Present for the Company: Shri N K. Das, Labour Adviser of the Company.

Present for the Union: Shri S. R. Ghosh, Advocate.

By the Government of West Bengal, Labour Department, order No. 2434-I.R /IR/11L-643/67, dated the 25th April 1968, the industrial dispute between Messrs. Hazi Abdullah and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below.

Issue

Whether the lock-out with effect from 6th October 1967 is justified? To what relief, if any, are the workers entitled?

On receipt of notice both the parties made appearance and filed their respective written statement.

The case of the Union is as follows:

The employees of the Company submitted a charter of demands to the Company through the Union, for the introduction of grades and scales of pay, and a gratuity scheme for the employees. No settlement could be arrived at with regard to the said charter of demands, and the management, in order to deprive the workers of their legitimate demands, locked out the restaurant with effect from the 6th October 1967 without showing any reason for the action. Then the Union referred the matter to the Labour Commissioner, Government of West Bengal, for immediate intervention in it. Conciliation attempts having failed the matter has been referred to this Tribunal by the Government for adjudication.

The case of the Company is as follows:

Hazi Abdullah was the proprietor of the restaurant in question. He became very old and he was suffering from various ailments and, as such, he decided to close the business. Accordingly he closed the business on 6th October 1967. After the closure of the business the proprietor of the restaurant made payments of all dues to the employees of the restaurant. The employees, therefore, are not entitled to any relief in this reference.

Decision with Reasons.

The issue is whether the lock out is justified or not. But it is not admitted by the Company that it is a case of lock-out. According to the Company, it is a case of closure, and not a case of lock-out. The Government, however, without deciding this question referred the matter to this Tribunal. It has been submitted on behalf of the Company that the issue has not been properly framed by the Government. As it is not an admitted case of lock-out, I agree with the learned lawyer for the Company who says that the Government is not justified in framing the issue in the present form. However, let me see whether it is a case of lock-out or whether it is a case of closure.

P.W. 1 Md. Moslem and P.W. 2 Sheik Mahiuddin are two employees of the restaurant in question. According to them, it is a case of lock-out. P.W. 3 Shri Rabin Chakraborty is the Secretary of the Union. He also says that it is a case of lock-out. O.P.W. 2 Md. Isaque, O.P.W. 4 Shri Mortaja, and O.P.W. 5 Shri Serajuddin are also employees of this restaurant. According to them this is a case of closure of the business. These witnesses are deposing as against their own interest and as such evidences should be believed. Moreover, O.P.W. 1 Shri S. M. Siddique and O.P.W. 3 Shri Piyara Singh are independent witnesses. They are not connected with the restaurant in any way. Shri Siddique was a friend of Hazi Abdullah who was admittedly the proprietor of the restaurant. Shri Piyara Singh has got a shop nearabout the restaurant in question. Their evidence goes to indicate that Hazi Abdullah closed the business on the 6th October 1967. The evidence of Shri Siddique is very clear on this point. His evidence is that Hazi Abdulla became old of 96 years, and that he was unable to run the business. He also says that Hazi Abdullah was a patient of diabetes and high blood-pressure. That Hazi Abdullah was aged about 96 years is not disputed. It is probable to think that Hazi Abdullah was unable to run the business because of his old age. It also appears that Hazi Abdullah, the proprietor of the restaurant, issued notice of closure of the restaurant with effect from 6th October 1967. Ext. A is the notice. Copies of this notice were sent to the Assistant Labour Commissioner, the Labour Commissioner, and the Secretary to the Labour Department, Government of West Bengal. Admittedly, Hazi Abdullah died in June 1968. The restaurant was admittedly closed on 6th October 1967. It is an admitted fact that Hazi Abdullah did not reopen the restaurant up to the date of his death. Considering the evidence and having due regard to the facts and circumstances of the case, I think that Hazi Abdullah intended to close the business, and that he actually closed the business with effect from 6th October 1967. In this case it has

been proved beyond any shadow of doubt that all the employees received all their dues from the proprietor. Exhibit B series are the receipts granted by the employees. P.W. 1 Md. Moslem says that he did not put his thumb-impression on Ext. B(8). P.W. 2 Sk. Mahiuddin says that he did not put his thumb-impression on Ext. D(12). But it is difficult to think that these thumb-impressions are forged. On the other hand, O.P.W. 1 Shri S. M. Siddique and O.P.W. 3 Shri Piyara Singh prove that all workers received their dues from Hazi Abdulla by granting receipts therefor. The receipts have been duly proved by these witnesses. I am convinced that all the employees of the restaurant received payment of all their dues from Hazi Abdullah in full satisfaction of their dues. It is clearly a case of closure of the restaurant, and not a case of lock-out. The employees received money from the proprietor in full and final satisfaction of their dues. Ext. B series prove this. I, therefore, find that the employees are not entitled to any relief in this case. It is true that the son-in-law of Hazi Abdullah reopended the restaurant after his death. But it does not matter. The fact remains that Hazi Abdullah closed the business during his life time.

There is another significant fact in this case, and it is that most of the employees of the restaurant filed a statement before the Tribunal stating that they were no longer interested with the present reference. Ext. C is the application filed before the Tribunal. O P.W. 1 Shri Siddique and O.P.W. 3 Shri Piyara Singh, who are independent witnesses, prove that this application was made by the employees who put their thumb-impressions in it. I find that the employees are no longer interested in the dispute. Moreover, as I find that it is a case of closure of the establishment, and also as I find that the employees received their dues from the proprietor in full and final satisfaction of their dues, I hold that the employees are not entitled to any relief in this case.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act filed by one Jakhal Chouhan, an employee of Messrs. Hind Galvanizing & Engineering Company Pvt. Ltd. and residing at 20/2 Guha Road, Ghusury, Howrah, against the aforesaid Company situated at 11 Guha Road, P. O. Ghusury, district Howrah. (Case No. 3 of 1969 under section 33A.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company : Shri C. L. Ganguly, Advocate.

Present for the Workman : Shri Madan Saha, Advocate.

This is an application under section 33A of the Industrial Disputes Act filed by one Jakhal Chouhan of 20/2 Guha Road, Ghusury, Howrah, an employee of Messrs. Hind Galvanising & Engineering Company Ltd., situated at 11 Guha Road, Ghusury, Howrah.

The original reference out of which this case has arisen was made under G O. No. 1041 I.R./ IR/10L-12/66, dated 16th September 1966.

The case of the petitioner is that he was a workman under the Company for more than 4 years, that with effect from 30th September 1966 he had been refused employment by the Company without assigning any reason, and that he approached the management repeatedly, but to no effect. Hence this application.

On receipt of notice the Company made appearance and filed its written statement. The case of the Company is that the petitioner started absenting himself from duty from the 30th September 1966 and that he did not resume his duty even though he was asked by the management by a letter to do so. It is also contended by the Company that the application is not maintainable.

Decision

First of all, it is to be seen whether the application is maintainable or not. It appears that the petitioner has not made out any case in the application that he was discharged or dismissed by the Company on account of misconduct. The only allegation is that he was refused employment by the management without assigning any reason. It therefore appears that his application is not attracted by the provisions of section 33 of the Industrial Disputes Act. In his evidence the petitioner says that he was dismissed from service because he was a member of the Union. But no such case has been made out in his application. If he was dismissed on account of Union activities he would have certainly mentioned this in his application. It is clear that his evidence on this point is not true. It has been held by Their Lordships in the case reported in Indian Factories and Labour Reports, Vol. 5. 1962 at page 465 that discharge contemplated in section 33(2)(b) must be discharge for misconduct. It has further been observed in that case that the expressions "conditions of service" or "alteration in the conditions of service" clearly imply the continuance of employer-employee relationship. Once the services of a particular employee is terminated, there is no question of alteration of his conditions of service. So it appears that the application under section 33A is not maintainable. Moreover it is clear that the management is not at fault at all in the matter of termination of services of the petitioner. According to the petitioner he was refused employment since 30th September 1966, whereas the case of the Company is that the petitioner had been absenting himself from duty since 30th September 1966. It appears that the petitioner sent an application to the management on 3rd October 1966 alleging that he was being refused employment from 30th September 1966. The Company denies receipt of this application. It appears that this application was sent by registered post. So it is to be presumed that the management received the application. However, the management also wrote a letter on 13th October 1966 to the petitioner asking him to resume his duty immediately. Ext. B is the letter in question. This letter was sent under certificate of posting. The letter runs as follows :—

> "This is to inform you that since 1st October 1966 you have not turned up for your duties without sending any information as to the reasons of your unauthorised absence. You are, therefore, directed to report for your duties immediately and/or to intimate the reasons of your continued unauthorised absence for more than 12 days, as otherwise it would be presumed that you have left your service of your own accord. The receipt of this letter may be acknowledged".

This letter was sent under certificate of posting. So it must be presumed that the letter reached the petitioner. It is not the case of the petitioner that he reported for duty immediately on receipt of the above letter or that he sent application giving reasons for his absence for more than 12 days. That being so, it should be taken that the petitioner left the service of his own accord. The learned lawyer for the petitioner refers to the Standing Orders of the Company and submits with reference to item No. 14 of the head "Major Misdemeanours" that it should be treated that his client was dismissed on ground of misconduct. Here I find that "absence without permission not exceeding eight consecutive days" has been treated as one of the major misdemeanours. But I find that the petitioner was not dismissed on that ground at all. In this connection section C(b)(4) of the Standing Orders may be referred to. It says "Any workman who absents himself without permission for more than ten calendar days shall be deemed to have left the service of the Company of his own accord". It is not the evidence of the petitioner that he attended the office from 1st October to the 12th October 1966. So it is clear that the petitioner absented himself without permission for more than 10 calendar days. So the Company was justified in presuming that the petitioner left the service of his own accord. On going through the evidence on record I find that the petitioner left the service of the Company of his own accord and, as such, I find that this application is not maintainable. The petitioner is entitled to no relief.

Hence it is ordered that the application is rejected.

Issue

Whether the termination of service of Shri Khublal Shaw is justified? To what relief, if any, is he entitled?

On receipt of the order of reference, notices were issued fixing 29th November 1968 for appearance of the parties. Both parties appeared on that date. The workman filed his written statement. After several adjournments, the Company filed its written statement on 22nd February 1969. The case was fixed for hearing on 1st September 1969. On that date, a joint petition was filed by the parties praying for adjournment on the ground that negotiations were going on between the parties for settling the dispute amicably. Ultimately, a joint petition of compromise was filed. The workman Shri Khublal Shaw and the Director of the Company Shri Puran Mall Jalan have signed the joint petition and the joint petition has been filed by Shri S. Chowdhury, learned Advocate for the workman. Two persons including Shri C. L. Ganguli, learned Advocate for the Company, have signed as witnesses.

I have heard Shri S. Choudhury, learned Advocate for the workman. He has submitted that the dispute has been settled on the terms set forth in the petition of compromise. By the Government of West Bengal, Labour Department, order No. 5878-I.R./IR/9L-93/67, dated the 10th November 1967, this industrial dispute between Messrs. Sukna Tea Co. Ltd. and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below:

Issue

Whether the retirement of Shri Bhabani Nath Biswas is justified ? What relief, if any, is he entitled to ?

On receipt of notice both the parties made appearance and filed their respective written statement. After some adjournments the case was taken up for hearing on 31st March 1969. On that date the parties made a joint prayer for an adjournment of the case on the ground of there being a talk of compromise going on between the parties for an amicable settlement of the dispute. Thereafter some more adjournments were granted by the Tribunal at the prayers of the parties on the same ground, and ultimately on 27th November 1969, a joint petition of compromise was filed by the parties embodying therein the terms of settlement and praying for an award in terms of the settlement. I have perused the terms of settlement which appear to be fair, reasonable and lawful, and I accept the same.

Accordingly I pass a "no dispute" award in this case and dispose of the reference accordingly. The terms of settlement do form part of this award as Annexure "A".

Short Recital of the Case :

The Union raising a dispute demanded 20 per cent. Bonus (Profit Sharing) for the workmen for the accounting year ending on 31st December 1967. The Management contended that only 4 per cent. Bonus was payable as per the audited Balance Sheet, Profit and Loss Account and available surplus. After several discussions, both the parties agreed to refer the dispute to a Tribunal in a Tripartite Conference on 24th August 1968 after making an advance to the extent of 10.5 per cent. Basic and D. A. earned by all workmen who are entitled to Bonus as per the payment of Bonus Act during the said period. This advance payment is to be adjusted with Award given by the Tribunal. The case was accordingly referred in the Ninth Industrial Tribunal at Durgapur and pending at present. The parties, however, discussed the matter once again and finally settled the issue out of Court on the following terms :—

Terms of Settlement

1. It is agreed to by and between the parties that all workmen who are entitled to Bonus as per payment of Bonus Act, 1965, will get 4 per cent. Bonus as per the payment of Bonus Act, 1965, for the accounting year ending on 31st December 1967.

2. It is further agreed to by and between the parties that all workmen who are entitled to Bonus as per payment of Bonus Act, 1965, will be paid an ex gratia to the extent of 6.5 per cent. of their basic and D.A. earned by them during the said period.

3. It is further agreed to by and between the parties that they will make a joint petition to the Ninth Industrial Tribunal at Durgapur praying

for an Award in terms of this amicable settlement of the issue referred for adjudication and thus dispose of the matter finally.

AWARD

By the Government of West Bengal, Labour Department, order No. 4031-I.R./IR/4L-45/69, dated the 25th June 1969, an industrial dispute existing between Messrs. Tarapada Sadhukhan and others (Partners—Tarapada Sadhukhan, Gopal Chandra Sadhukhan and Sachindra Sadhukhan), owners of Bus No. 895, 13A Nirode Behari Mullick Road, Calcutta-6 and their workman Shri Habibur Rahaman represented by Bus Workers' Union, 249 Bowbazar Street, Calcutta-12, was referred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:

Issue

Whether refusal of employment to Shri Habibur Rahaman is justified? To what relief, if any, is he entitled?

Pursuant to the notices, the parties appeared and the case was fixed on 5th March 1969 for filing written statement by the Union. On that date the Union prayed for time and the case was fixed on 19th August 1969 for filing written statement by the Union. But on that day the Union was found absent. Subsequently, several dates were fixed suo-motu by the Court for filing written statement by the Union. But on all occasions, the parties were found absent. The case was ultimately fixed on 25th November 1969 for order. Even on that day, the parties were absent. I am therefore, inclined to believe that the parties are no longer interested in proceeding with this case and that the dispute under reference has, in all probability, ceased to exist. I accordingly pass a "no-dispute" award in this case. This disposes of the instant reference.

General concession in age

(1) (a) **For Political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Castes/Tribes candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For displaced persons:** The upper age limit is relaxable up to 45 years for displaced persons who migrated to India from East Pakistan on or after January 1, 1964 and repatriates from Burma and Ceylon who migrated on or after 1st June 1963 and 1st November 1964 respectively. This concession in age to displaced person shall remain in force up to December 31, 1969.

Fixation of pay

(2) (a) **For persons already in permanent service under the Government of West Bengal:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, his/her initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part 1, as the case may be. If however, such a recruit is prepared to resign his/her appointment under Government, before applying, he/she will be eligible for the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his/her pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale, provided that he/she has already rendered at

least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not, however, be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

PART VI—Bills introduced in Parliament of India; Reports of Select Committees presented to Parliament; and Bills published before introduction in Parliament

LOK SABHA

The following Bill was introduced in Lok Sabha on the 21st August, 1969:—

BILL NO. 78 OF 1969

A Bill further to amend the Constitution of India

BE it enacted by Parliament in the Twentieth Year of the Republic of India as follows:—

Short title.

1. This Act may be called the Constitution (Twenty-third Amendment) Act, 1969.

Amendment of article 330.

2. In article 330 of the Constitution, in sub-clause (*b*) of clause (*1*), for the words "except the Scheduled Tribes in the tribal areas of Assam", the words "except the Scheduled Tribes in the tribal areas of Assam and in Nagaland" shall be substituted.

Amendment of article 332.

3. In article 332 of the Constitution, in clause (*1*), for the words "except the Scheduled Tribes in the tribal areas of Assam", the words "except the Scheduled Tribes in the tribal areas of Assam and in Nagaland" shall be substituted.

Amendment of article 333.

4. (*1*) In article 333 of the Constitution, for the words "nominate such number of members of the community to the Assembly as he considers appropriate", the words "nominate one member of that community to the Assembly" shall be substituted.

(2) Nothing contained in sub-section (*1*) shall affect any representation of the Anglo-Indian community in the Legislative Assembly of any State existing at the commencement of this Act until the dissolution of that Assembly.

Amendment of article 334.

5. In article 334 of the Constitution, for the words "twenty years", the words "thirty years" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

Article 334 of the Constitution lays down that the provisions of the Constitution relating to the reservation of seats for the Scheduled Castes and Scheduled Tribes and the representation of the Anglo-Indian community by nomination in the House of the People and the Legislative Assemblies of the States shall cease to have effect on the expiration of a period of twenty years from the commencement of the Constitution. Although the Scheduled Castes and Scheduled Tribes have made considerable progress in the last twenty years, the reasons which weighed with the Constituent Assembly in making provisions with regard to the aforesaid reservation of seats and nomination of members, have not ceased to exist. It is, therefore, proposed to continue the reservation for the Scheduled Castes and the Scheduled Tribes and the representation of Anglo-Indians by nomination for a further period of ten years.

2. More than ninety per cent. of the population of the State of Nagaland, which came into being in 1963, is tribal. It would be anomalous to make provision for reservation for Scheduled Castes and Scheduled Tribes in Legislatures in the States where they are in a majority. It is, therefore, proposed, as desired by the Government of Nagaland, not to make any reservation for the Scheduled Tribes in Nagaland either in the House of the People or in the State Legislative Assembly. Articles 330 and 332 of the Constitution are being amended for this purpose.

3. Under article 333 of the Constitution, the number of Anglo-Indians, who may be nominated to the State Legislative Assemblies, is left to the discretion of the Governor. It is now proposed to amend that article so as to provide that not more than one Anglo-Indian should be nominated by the Governor to any State Legislative Assembly. This amendment will not however affect representation of the Anglo-Indian community in the existing Legislative Assemblies until their dissolution.

NEW DELHI; P. GOVINDA MENON.
The 11th August, 1969.

FINANCIAL MEMORANDUM

Clause 5 of the Bill seeks to amend article 334 of the Constitution to provide for the continuance of the representation of the Anglo-Indian community in the House of the People and in the Legislative Assemblies of the States by nomination for a further period of ten years from 26th January, 1970. It is estimated that the recurring expenditure on the salaries and allowances and other concessions, of the two representatives of the Anglo-Indian community in the House of the People under article 331, will be of the order of Rs. 50,000 per annum.

2. There will be no non-recurring expenditure.

S. L. SHAKDHER,
Secretary.

Pursuant to notices the parties appeared and filed their written statement. The case was ultimately fixed on 26th December 1969, for hearing. The terms of compromise as embodied in the petition of compromise appear to me as being lawful, fair, reasonable and just. I accordingly pass a 'no-dispute' award

in terms of the said joint petition of compromise. The said joint petition of compromise shall form part of the award as annexure. This disposes of the instant reference.

AWARD

The Government of West Bengal, Labour Department, by order No. 3921-I.R./IR/8L-58/67, dated the 18th August 1967, referred an industrial dispute between Messrs. (1) Common Hosiery, (2) Chamanlal Indrajit Hosiery, and (3)Devika Hosiery, all of 21A Dum Dum Road, Calcutta-30, and their workmen represented by the Employees' Association, 26/8 Dum Dum Road, Calcutta-2, to this Tribunal for its adjudication on the following issue:

Issue

Dearness Allowance for all categories of workmen.

Usual notices were served and the parties filed their respective written statements. Thereafter several adjournments were taken by the parties on the ground of effecting compromise. The date of hearing of the case was fixed on 26th December 1969. In the meantime, on 3rd December 1969, three joint petitions of compromise between the three Companies and their workmen, were filed.

I have heard the representatives of the Companies and the Union. I have perused the petitions of compromise. The terms of settlement appear to be reasonable, fair and lawful. The parties have settled their disputes on the terms and conditions set forth in the three petitions of compromise. The petitions contained identical terms of settlement. There is no reason why this Tribunal should not accept the terms of compromise. I therefore accept the joint petitions of compromise and I pass an award accordingly, on the terms thereof. The petitions of compromise will form part of the award as Annexures 'A', 'B' and 'C'. The case be thus disposed of. The case need not be put up on 26th December 1969.

In response to the notice issued by this Tribunal on receipt of the order of reference, the Union representing the workmen concerned and the Company entered appearance and filed their respective written statements in the case on different dates. Then after several adjournments, on prayer of the parties, 23rd May 1969 was fixed for hearing of the case. On that date the hearing commenced and the case was heard in part. Again, the date of hearing of the case had to be shifted on several occasions on the prayer of the parties, and on 12th September 1969, the parties intimated this Tribunal by a petition that a talk of amicable settlement is going on between the parties. On that ground the parties also prayed for an adjournment on that date and some more adjournments were granted, on the prayer of the parties, in the case for coming to an amicable settlement. 12th December 1969 was ultimately fixed for that purpose or in default, for hearing. But on 10th December 1969 the parties filed a joint petition stating that the dispute was amicably settled between the parties and they entered into a memorandum of settlement, dated the 8th December 1969, a copy whereof was annexed to the joint petition, and praying for passing an award in terms of the said settlement. This is my award.

On receipt of the reference usual notices were issued on the parties fixing 10th September 1968 asking them to appear on that day to take necessary direction for filing written statements. On the date so fixed the Union appeared but the notice on the Company came back unserved. On 16th October 1968 the Union filed its written statement. The Company did not appear and the fresh notice issued on the Company also came back unserved. On 29th

November 1969 the Company appeared and the learned Advocate for the Union was also present. The Company filed a petition praying for passing of a "no dispute" award on the ground that the dispute between the parties had already been compromised outside the Tribunal. The learned lawyer for the Union does not deny compromise. It, therefore, appears that the dispute involved in this reference has been amicably settled outside this Tribunal and the parties are no longer interested in the dispute.

The reference is, therefore, disposed of on a "no dispute" award.

AWARD

The Government of West Bengal, in its Labour Department, order No. 7775 I.R./IR/10L-21(A)/68, dated 30th October 1968, referred under the section 10 of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Hindusthan Steel Limited, 2 Fairlie Place, Calcutta 1, and their workmen represented by Association of Hindusthan Steel Employees, 4 Fairlie Place (4th Floor), Calcutta-1, to this Thibunal for adjudication on the following issues :

Issues

1. City Compensatory Allowance.
2. House Rent Allowance.

It has been alleged by the Union in its written statement that in March 1967, the management decided to increase the house rent allowance by 5 per cent. leaving the city compensatory allowance as it is. Then with effect from 1st May 1967 the dearness allowance was fixed at 20 per cent. but the city compensatory allowance remained at 8 per cent., as before. The present rate of such allowances is too low keeping in view the abnormally high cost of living. The Union has claimed that the house rent allowance and the city compensatory allowance should be allowed at 25 per cent. and 13 per cent. respectively with effect from May 1967.

The Company has filed a written statement denying the allegations made by the Union. It has been stated that the rate of the city compensatory allowance and the house rent allowance is not at all low. So there is no justification for granting the prayer made on behalf of the Union.

It has been argued on behalf of Union that the evidence of the O.P.W. 1 Sanjoy Sen Gupta, Office Superintendent of Hindusthan Steel Limited Sales Office, shows that in other concerns, a considerable portion of the dearness allowance has been merged with the basic pay and the calculation of the house rent allowance and the city compensatory allowance is made by those concerns on the footing of such consolidated pay. 2 lists have been put in on behalf of the Union, vide Exts. 1 and 2 to show that the house rent allowance and the city compensatory allowance are allowed by other concerns at higher rates. In the Company in question, no portion of the dearness allowance has been merged with the basic wages. The Tribunal should consider the high rate of cost of living and grant the house rent allowance at 25 per cent. and the city compensatory allowance at 13 per cent. of the basic wages of the employees. Such prayer should be granted with retrospective effect from 1st March 1967, though in the written statement the date has been put at 1st May 1967.

It has been contended on behalf of the Company that the Government totally failed to refer the exact dispute between the parties to the Tribunal because the issues relate only to the city compensatory allowance and the house rent allowance. It does not appear from the reference whether the issues relate to revision or increase or stoppage of such allowance. In view of such vague issues, the Tribunal should decline to adjudicate on the same. It has been further contended that the onus is on the Union to show that there is justification for revision of the rates of the house rent allowance and the city compensatory allowance. The Union has absolutely failed to discharge such onus. There is no case for any revision or increase of the house rent allowance and the city compensatory allowance. Even the list Ext. A filed by the Company will amply show that if we consider the rates of such allowances granted by other comparable concerns, there will be no justification whatever for revision of the present rate of the city compensatory allowance and the house rent allowance allowed by Messrs. Hindusthan Steel Limited. In any case, there is no ground whatever for giving retrospective effect to such allowances, as asked for on behalf of the Union. The balance-sheet Ext. B reveals that the Company suffered a loss of Rs. 122 crores. So due to such miserable financial position of the Company, the Tribunal should not impose any further burden on it by increasing the rate of the house rent allowance and the city compensatory allowance.

It is true that the issues referred by the Government to this Tribunal have not been rather happily framed because the Government should have stated whether there is any justification for revision of the rates of the city compensatory allowance and the house rent allowance. At all events, that is a mere irregularity and not an illegality. The parties were not at all prejudiced because they properly understood the proper import of the issues in question. A mere perusal of the pleadings of the parties will clarify the same and that will show that they had no confusion or misunderstanding regarding the true nature of the dispute between them. Moreover, the oral and documentary evidence adduced by them will confirm that view that they did not

suffer from any confusion or misunderstanding on this. Hence the contention advanced on behalf of the Company on this cannot be sustained and this Tribunal holds that the case cannot be disposed of on the preliminary ground of absolute vagueness of the issues in question.

Law is that the onus on revision of the house rent allowance and the city compensatory allowance is on the Union. Let us see whether the Union has succeeded in discharging such onus.

Issue No. 1

The P.W. 1 Sanjoy Sankar Sen Gupta, Office Superintendent of Hindusthan Steel Sales Office, has stated that in other concerns a considerable portion of the dearness allowance has been merged with the basic pay. He has put in the lists Exts. 1 and 2 to support his contention. But the contents of those documents are vague and do not support his statement. So his testimony on this stands without any corroboration. The Union has totally failed to discharge the onus on this and show at what rate the city compensatory allowance is granted by other comparable concerns. The Union further failed to establish that a substantial portion or any portion of the dearness allowance was merged with the basic pay in other comparable concerns. In the circumstances, it seems that the present rate at 8 per cent. city compensatory allowance, as granted by the Company in question, is reasonable and hence there is no justification for a revision of the same. So this Tribunal finds that the Union is not entitled to any relief on this score.

Issue No. 2

The P.W. 1 Shri Sanjoy Sankar Sen Gupta has filed the lists Exts. 1 and 2 and orally stated that in the State Trading Corporation the house rent allowance is allowed at 30 per cent. No other witness was examined to corroborate his version. As stated before, the entries in the lists Exts. 1 and 2 do not advance the case of the Union. No other document was admitted in evidence on behalf of the Union. True, after the evidence was closed, a date was fixed for hearing the arguments and that was done on the prayer of the parties. On the date fixed for hearing the arguments, the Union filed a petition along with some documents. It has been stated on behalf of the Union that those documents should be accepted because the same will show the rates of the house rent allowance granted by other concerns. Serious objection was taken by the Company on this. The case of Gungaram Tea Company in 1967 (II) L.L.J., 325 has been cited on behalf of the Company to show. Relying on the decision of Susil Kumar in 70 C.W.N. 341, it has been stated that the Tribunal is a statutory authority and it has thus no inherent power to direct a matter to be heard afresh after an order was recorded when the evidence was closed. So the contention advanced on behalf of the Company is that no further documents can be admitted in evidence.

The arguments advanced on behalf of the Company are sound and must be upheld. In the instant case also, the evidence was concluded and thereafter on the prayer of the parties a date was fixed for hearing the arguments as stated previously. On that date, all on a sudden, a petition was put in on behalf of the Union along with some documents for the acceptance of the same. But no prayer was made to recall any evidence to prove those documents. Formal proof of the documents was not waived either and hence the documents could not be admitted in evidence. So the prayer made on behalf of the Union on this cannot be allowed and the documents put in at the late stage of the case must go out of the picture.

The evidence of the P.W. 1 Sanjoy Sen Gupta in his cross-examination indicates that his evidence regardng the rate of the house rent allowance of the State Trading Corporation is more hearsay. So no reliance can be placed on such hearsay evidence. Nevertheless, we get some data regarding the pattern of other comparable concerns from the evidence furnished on behalf of the Company. The O.P.W. 1 Mr. M. P. Ramkrishnan, Senior Administrative Officer of the Company, put in the list Ext. A and stated that he himself collected the informations mentioned in the list. The entry in the list shows as follows :

Units	H. R. A.	C. C. A.
	Per cent.	Per cent.
Hindusthan Steel Ltd.	20	8
National Mineral Development Corporation.	25	8
State Trading Corporation	25	8
Mineral and Metal Trading Corporation.	25	8
National Instruments Ltd.	15	8
Heavy Electricals ...	25	8
Bokaro Steel Ltd. ...	15	8
Indian Telephone Industries	15	8
Food Corpn. of India	20	8
National Projects Construction Corporation.	15	8
Indian Oil Corporation	15	8
Central Govt. employees	15	8

It is true that the O.P.W. 1 Mr. M. P. Ramkrishnan says that his Company sustained a loss of 122 crores and that is being confirmed by the balance-sheet Ext. B filed on behalf of the Company. Nevertheless, there is silver-lining because his evidence shows that in spite of such loss, no economic measure has been adopted by the concern. The wages of the officers have increased and the strength of the staff of the Company has been regularly increasing. So it is clear that the Company in question is a growing one and such unit has not reached the maximum growing capacity. That fact is also being supported by the Directors' Report, as embodied in the balance-sheet Ext. B. That balance-sheet clearly shows that the Company had received substantial financial loan from the Central Government and even in 1967-68 a sum of Rs. 310 million was received from the Central Government as loan. Obviously such loan was given for the purpose of Steel development. There is no other concerns formed with such object. So the "Region-cum-Industry" principle cannot have full application.

There is no dispute that in Calcutta, there is acute house problem. The cost of living has increased considerably. That list Ext. A reveals that at least four concerns pay the house rent allowance at 25 per cent. So in these circumstances, it is reasonable and proper for the Company to increase the rate of house rent allowance. In view of the statement contained in the list Ext. A it seems that it will be reasonable and proper to fix the house rent allowance at 25 per cent of the basic wages for all categories of employees of the Company. The decision is made accordingly.

Lastly it has been contended on behalf of the Union that the Tribunal should give retrospective effect to the revised rate of the allowance from 1st March 1967. This prayer does not deserve any consideration. The fact of giving the retrospective effect to the allowance is not implied in the order of reference, nor does it incidentally arise from the issues referred to this Tribunal. It has already been stated that the financial position of the Company is far from satisfactory. There are no exceptionally or extraordinary circumstances justifying the Tribunal to give retrospective effect to the aforesaid rate of house rent allowance. In such circumstances, it seems reasonable that the Company should pay such house rent allowances after the expiry of 30 days from the date of the publication of the award in the gazette.

STATEMENT OF OBJECTS AND REASONS.

When the Calcutta University was taking steps for the constitution of the Senate, the Syndicate, the Academic Council and the other Authorities of the University according to the provisions of the Calcutta University Act of 1966, some difficulties arose in the matter of preparation of voters' list, the constituencies for 'Constituent Colleges', definitions of 'the Registered Graduates', appointment of 'first Vice-Chancellor', etc. It was felt necessary to amend the Calcutta University Act suitably so that the University might proceed in the proper manner for the holding of the first elections, etc. under the Act. For that purpose the Governor of West Bengal promulgated the Calcutta University (Amendment) Ordinance, 1967 (West Bengal Ordinance No. VIII of 1967) on the 23rd September, 1967. The Legislature of West Bengal having had a session on the 29th November, 1967, this Ordinance was due to expire on the 9th January, 1968. In order to continue the provisions of this Ordinance, the Governor of West Bengal promulgated the Calcutta University (Amendment) Second Ordinance, 1968 (West Bengal Ordinance No. III of 1968) on the 8th January, 1968. Bills were thereafter prepared in the usual way to replace these Ordinances but President's Rule was imposed before they could be placed before the Legislature for consideration. Hence the relevant papers were forwarded to the Government of India and the President's Act 5 of 1968 was enacted.

Under Article 357(2) of the Constitution of India, all the Presidential Acts will cease to have effect one year after the revocation of the Presidential Proclamation unless these are re-enacted by the West Bengal Legislature before the expiry of the period of one year. Since the Proclamation issued under Article 356 of the Constitution was revoked by the President on the 25th February, 1969, the re?enactment of the President's Act 5 of 1968 will have to be made before the 24th February, 1970.

The present Bill seeks to replace the President's Act 5 of 1968.

STATEMENT OF OBJECTS AND REASONS.

In varying degrees in the markets in West Bengal, buyers and sellers and, in particular, cultivators selling their produce, are subject to many disadvantages and malpractices amongst which the following are the most prevalent:

(*i*) The rents realised by the owners and lessees of markets are often excessive and there are cases of grower-sellers having to pay, in addition to rents, certain levies either in cash or in kind.

(*ii*) The system of sale in the market generally acts to the disadvantage of the producers and the benefit is largely appropriated by the middlemen and the merchants who, on various accounts, make deduction from the agreed price.

(*iii*) No grading and standardisation of agricultural produce is done at the time of sale and this system also acts to the disadvantage of the producers; by mixed sale, producers often lose the price premium which they would have got if the sales were conducted under standard grades.

(*iv*) Many of the markets are mismanaged. Sanitary and other arrangements are inadequate, causing inconvenience to the users of the markets and creating unhealthy condition.

(*v*) Many of the owners hardly spend any amount for proper maintenance and improvement of the markets.

(*vi*) Reliable information as to prices, stocks, sales, despatches, arrivals, etc., in respect of different markets are not usually available, though this is essential to formulate price and distribution policy and programme in regard to essential commodities.

2. It was considered necessary to remove these disadvantages and to regulate the markets as well as market practices by passing a legislation. The object of such legislation would be to secure better conditions in the markets for the public generally and to protect buyers and sellers and, in particular, cultivators selling their produce, from unjustified exactions and other malpractices which prevail. With provision of such facilities and protection, the growers' share in the price of agricultural produce paid by consumers will increase, creating an incentive for improvement in production. The Royal Commission on Agriculture in India (1928) while recommending legislation for establishment of regulated markets for agricultural produce says, "well regulated markets create in the mind of the cultivator a feeling of confidence and of receiving fair play and this is the mood in which he is most ready to accept new ideas and to strive to improve his agricultural practice."

3. With the above objects in view, a Bill for the regulation of markets in West Bengal was under consideration of first U.F. Ministry and during the operation of the President's Rule, that followed, the Bill was enacted by the President as the West Bengal Markets Regulation Act, 1968, providing for the following:—

(*i*) licensing of markets;

(*ii*) standardisation of rent payable by the sellers to the owners of markets;

(*iii*) setting up of market committees with a view to supervising the work of the market;

(*iv*) licensing of sellers, etc.

(*v*) standardisation of market charges and regulation of market practices;

(*vi*) inspection of markets by Government agencies and market committees;

(*vii*) sanitary arrangements, etc., in markets and proper maintenance of markets by the owners;

(*viii*) establishment of new markets, in public interest;

(*ix*) taking over management of market by the market committee under certain circumstances in public interest; and

(*x*) collection of information regarding prices, stocks, arrivals, despatches, etc.

4. Under Article 357(2) of the Constitution of India, the President's Act will cease to have effect unless re-enacted by the State Legislature before the expiry of one year from the revocation of the President's Rule from this State.

5. As the conditions necessitating the aforesaid legislation still persist, it is necessary to re-enact it as an Act of the State Legislature with almost identical provisions.

6. The West Bengal Markets Regulation Bill, 1970, is proposed to be undertaken with the objects and for the reasons as noted above.

FINANCIAL MEMORANDUM.

The provisions of the West Bengal Markets Regulation Bill, 1970, will be implemented through the officer of the Marketing Branch of the Directorate of Agriculture. In accordance with the provisions of clause 23 of the Bill it will be incumbent on the State Government to appoint Inspecting Officers, both in the districts as well as in Calcutta, for the implementation of the measures provided for in the Bill. The duties of the Inspecting Officers will be as specified in sub-clause (3) of clause 23 of the Bill. This is a direct financial liability, which this State Government will have to incur for enforcement of the Act. Having regard to the need for economy in expenditure and to the fact that some of the existing officers and staff can be conveniently empowered to carry out the duties under the Act, it is proposed to appoint initially 11 Inspecting Officers (Regulated Markets) in S.A.S. Class I (Executive) with one clerk and one orderly peon for each Inspector. Provision for some contingencies has also to be made.

It is estimated that the annual expenditure on account of pay, allowances, contingencies, etc., will be of the order of Rs. 2,03,000.00. The minimum staff suggested will be required for implementing the provisions of the Bill.

NOTIFICATION

No. 61L.—13th January, 1970.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons and the Financial Memorandum which accompany it, in the *Calcutta Gazette*, the Bill, the Statement of Objects and Reasons and the Financial Memorandum are accordingly hereby published for general information:—

BILL NO. 4 OF 1970

THE BURDWAN UNIVERSITY (AMENDMENT) BILL, 1970.

A BILL

to amend the Burdwan University Act, 1959.

WHEREAS it is expedient to amend the Burdwan University Act, 1959, for the purpose and in the manner hereinafter appearing; West Ben. Act XXIX of 1959.

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Burdwan University (Amendment) Act, 1970.

Amendment of section 16 of West Ben. Act XXIX of 1959.

2. In section 16 of the Burdwan University Act, 1959,—

(*1*) in sub-section (2), for the words "the University may, subject to the approval of the Chancellor, appoint one of its members", the words "the Chancellor in consultation with the Minister may appoint any person" shall be substituted;

The Burdwan University (Amendment) Bill, 1970.

(Clause 3.)

(2) in sub-section (*3*), for the words beginning with the words "the Chancellor shall" and ending with the words "of the Vice-Chancellor", the following shall be substituted, namely:—

"the Chancellor in consultation with the Minister shall, until a new Vice-Chancellor is appointed under sub-section (*1*), authorise any person to exercise the powers and perform the duties of the Vice-Chancellor".

Repeal and savings.

3. (*1*) The Burdwan University (Amendment) Ordinance, 1969, is hereby repealed. West Ben. Ord. XII of 1969.

(2) Anything done or any action taken under the Burdwan University Act, 1959, as amended by the Burdwan University (Amendment) Ordinance, 1969, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 3rd day of October, 1969. West Ben. Act XXIX of 1959.

STATEMENT OF OBJECTS AND REASONS.

Section 16(*1*) of the Burdwan University Act, 1959 enjoins that the Chancellor of the University shall appoint the Vice-Chancellor in consultation with the Education Minister. In the case of temporary absence of the Vice-Chancellor or in case of his resignation, death or expiration of his term of office, the power of appointment of temporary Vice-chancellor was given to the University under sub-section (*2*) and (*3*) of section 16. This power of appointment of a temporary Vice-Chancellor could be exercised by the University only if a meeting was convened in time, the Vice-Chancellor alone being competent to convene a meeting of the University. If there was no Vice-Chancellor for the time being to convene such a meeting, a stalemate was to ensue.

With a view to removing those difficulties, it was thought desirable that the Chancellor should appoint a Vice-Chancellor in consultation with the Education Minister in all cases. The above provision was promulgated by the Burdwan University (Amendment) Ordinance, 1969 (West Bengal Ordinance No. XII of 1969).

The Burdwan University (Amendment) Bill, 1970 seeks to replace the said Ordinance by an Act of the Legislature.

"Indemnity. 12. No suit or other legal proceeding shall lie against any person for anything which is in good faith done or purported to have been done in pursuance of the provisions of this Act.".

STATEMENT OF OBJECTS AND REASONS.

Certain amendments were made to the Oriental Gas Company Act, 1960 (West Bengal Act XV of 1960), by the Oriental Gas Company (Amendment) Act, 1968, enacted by the President of India during the period of operation of the Proclamation issued by the President of India on the 20th February, 1968, under article 356 of the Constitution of India, in relation to the State of West Bengal. It is now required to be re-enacted, with modification.

The Oriental Gas Company (Amendment) Act, 1968, amended sections 4, 7, 8, 9 and 10 of the principal Act and inserted new section 12 therein in the manner as stated below:—

(*a*) Section 4 of the principal Act was amended to insert provision for acquiring the undertaking before the expiration of the period of 5 years. As a matter of fact, the Gas Company was taken over for management with effect from the 17th October, 1960, and acquired subsequently with effect from the 22nd March, 1962. Section 2 of the President's Act amended section 4 of the principal Act to make possible earlier acquisition of the undertaking.

(*b*) Section 7 of the principal Act does not indicate the incidence after acquisition as provided in some of the clauses under section 4 in the case of taking over of management. Section 3 of the President's Act made good the omissions.

(*c*) In section 8 of the Principal Act, the principles of compensation have been enunciated under clause (*a*) with regard to the taking over the management and control and under clause (*b*) with regard to the acquisition of the undertaking. Under clause (*b*) there are two methods. It was apprehended that the principles enunciated under clause (*a*) or in the 1st alternative under clause (*b*) of section 8 were not in accordance with the principle of "just equivalent". Section 4 of the President's Act, therefore, re-stated the principles of compensation in keeping with the principle of "just equivalent".

(*d*) Section 9 of the principal Act was slightly amended to include provison for payment of interest from the date of enactment of the Pesident's Act, in place of date of issue. This section was amended accordingly by section 5 of the President's Act.

(*e*) As section 3 of the President's Act envisaged alteration of terms and conditions of service by the State Government by rules made in this behalf, section 10 of the principal Act was amended by section 6 of the President's Act to make adequate provision in this regard.

(*f*) Section 7 of the President's Act inserted new section 12 in the principal Act to protect from legal action any person for anything in good faith done under the provisions of the principal Act.

(g) The President's Act had retrospective operation with effect from the date of enforcement of principal Act i.e. with effect from 1st October, 1960.

The Bill retains in *toto* all the sections of the President's Act with the following modifications:

Section 4 of the President's Act was modified to make provision for payment of compensation of a sum representing eight times the average net income of the undertaking of the Company over a period of five complete years preceding the year in which the undertaking of the Company has been transferred to the State Government under clause (*a*) of section 4 for the purpose of management and control. Section 4(*b*) of the President's Act has, therefore, been redrafted accordingly as clause 4(*b*) of the Bill. Sub-section (*1A*) of section 4 of the President's Act has been omitted.

Explanation to paragraph (*a*) of sub-section (*1*) inserted in section 8 of the principal Act by section 4 of the President's Act is made an *Explanation* to sub-section (1) of section 8 of the principal Act by clause 4 of the Bill.

Section 5 of the President's Act provided for payment of interest from the date of enactment of the President's Act in place of the words "from the date of issue" occurring in section 9(2) of the principal Act. Clause 5 of the Bill intends to modify it by providing for payment of interest from the date of the vesting of the undertaking, as this will be just and equitable.

Member-in-charge.

FINANCIAL MEMORANDUM.

The principles of compensation payable in terms of the provisions of the Bill are as detailed below:—

"In respect of the taking over of the management and control under section 3, or acquisition under section 7, of the undertaking of the company, there shall be paid by the State Government to the Company, compensation to be determined under sub-section (2) in accordance with the following principles, namely:—

(*a*) in the case of the taking over of the management and control of the undertaking of the Company, the annual compensation payable shall be a sum representing the average net annual income of the undertaking of the Company over a period of three accounting years ending in June, 1960;

(*b*) in the case of acquisition of the undertaking of the Company, the compensaton payable by the State Government shall be a sum representing eight times the average net income of the undertaking of the Company over a period of five complete years preceding the year in which the undertaking of the Company has been transferred to the State Government under clause (*a*) of section 4 for the purpose of management and control.".

As the amount of compensation payable under the proposed amended section 8(*1*) shall be determined by the Tribunal to be appointed under sub-section (2) read with sub-section (4) of section 8 of the Act on the basis of study of all necessary documents and records, it is not possible now to indicate any precise amount which may have to be paid as compensation in respect of taking over of the management or the acquisition of the undertaking which shall be determined by the Tribunal set up under section 8(*2*).

AWARD

By the Government of West Bengal, Labour Department, Order No. 3020-I.R./IR/11L-250/69, dated the 6th May 1969, an industrial dispute existing between Messrs. Chemi Pharma Distributors, 55/60 Canning Street, Calcutta-1 and their workmen represented by Shop Assistant Association of Bengal, B-73 College Street Market, Calcutta-12, was referred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication, in respect of the following issue:—

Issue

1. Whether termination of employment of Shri Ramlal Shah is justified? To what relief, if any, is he entitled?

Usual notices were served upon the parties who thereafter appeared on 23rd June 1969 and the Union was directed to file written statement by 7th July 1969. The Union, ultimately, filed written statement on 26th September 1969. The copy of the written statement was ordered to be made over to the company. But since then the company continued to remain absent though several dates were then fixed in the case. As the company thus fail to turn up, the matter has been heard ex-parte this day, i.e., 9th December 1969.

The case of the workman Shri Ramlal Shah in brief is as follows:—

The workman was an employee, i.e., a "delivery man" on permanent basis under the company, Chemi Pharma Distributors since 15th December 1966. Initially his pay was fixed at Rs. 80 per month which was subsequently raised to Rs. 90 per month. The company was all along reluctant to introduce bonus payment and provident fund scheme in respect of their employees for which the employees through their Union put pressure on the company and only thereafter the company agree to give formal letters of appointment to the employees and also to introduce bonus, provident fund, etc. The company got dissatisfied with the workmen concerned as he took active part in this movement to secure enforcement of the statutory provisions regarding payment of bonus, provident fund, etc. The company also illegally forced the workmen to work beyond the prescribed hours against their will. The workmen also were forced to work till the evening even on a Saturday though the working hour on a Saturday was only up to 2-30 p.m. On 23rd November 1968 which was a Saturday the workman concerned worked up to 5-30 p.m. and even after that he was asked to do work during the night. But he refused to do any further work that night. When the workman as usual went to attend to his duties in the morning of 25th November 1968, a Monday, the management refuse to allot any duty to him stating that his services were no longer required. Subsequently, the company wrote a letter, dated 23rd November 1968, containing certain false allegations against the workman and asking him to show cause within two days thereof. But this letter was actually reached the workman on a much later date. The workman then wrote letters to the company, denying all these allegations. But the company wrote a letter, dated 14th December 1968, to the workman terminating his services with effect from 14th December 1968 and asking him to call at the company's office and collect the arears which were already due to him up to 13th December 1968. The workman has in this way been most illegally dismissed from service without any reason or justification and without holding any enquiry into the allegations against him if there was any. The workman further says that though the company declared two months' bonus for the employees for 1969, this particular workman has not been paid any bonus for 1969. The workman now claims reinstatement with full back wages together with bonus for 1969. The workman (P.W. 1) has most satisfactorily testified to the above facts and I do not find any reason for which I should disbelieve him. The documents produced by the workman (Ext. 1 to 7) also clearly support the above contention of the workman. There has also been held no enquiry regarding the allegations, if any, against the workman. In the circumstances, it is is quite clear that the termination of employment of the workman Shri Ramlal Shah is not justified. The first part of the issue is thus answered in the negative.

As regards the second part of the issue as to what relief the workman is entitled, it having been found above that the termination of his service is not justified, he is entitled to re-employment with full back wages as claimed. According to the workman (P.W. 1) his monthly salary, at the time of termination of his service was Rs. 90 per month. Accordingly, he should get monthly salary at this rate of Rs. 90 per month till his reinstatement. The workman has further said that he has not received payment of his salary for the month of November 1968 and also for any part of December 1968 though his service was (Ext. 6) terminated with effect from 14th December 1968. Hence, the workman is entitled to get salary for the month of November 1968 and also for the period from 1st December 1968 to 13th December 1968 at the rate of Rs. 90 per month. It also have been proved that the company has declared two months' bonus for their employees for 1969. The workman concerned is entitled to this bonus also for 1969. Accordingly,

the workman do get from the company salary at the rate of Rs. 90 per month from 1st November 1968 till reinstatement and also two months' salary at the rate of Rs. 90 per month as bonus for 1969. The second part of the issue is thus disposed of.

This is my award. The instant reference is thus disposed of.

Cartwright & Co., Nirmal Kumar & Co. and Bhubandhar Tea Company, all of 23-A Netaji Subhas Road, Calcutta-1, and their workmen represented by Commercial Employees' Union (Calcutta), 12-A Netaji Subhas Road, Calcutta-1, under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under Notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication, on the following issues:—

Issues

(1) Grades and Scales of Pay.

(2) Dearness Allowance.

(3) Medical Benefits.

(4) Retirement age and retirement benefits.

(5) Tiffin.

On receipt of the reference usual notices were issued on both the parties asking them to appear before this Tribunal on 20th May 1969 to take necessary directions for filing written statements. On 15th May 1969 all the three companies concerned appeared and authorised Messrs. Khaitan & Co., Solicitors and two other Advocates mentioned in the letter of authority to represent them in this case. On 20th May 1969 Shri K. C. Banerjee, Advocate, appeared on behalf of the Union and filed a letter of authority authorising him to represent the Union. The Union filed its written statement on 6th June 1969 and the companies filed their written statement on 25th July 1969. After preliminary steps were taken by the parties 6th December 1969 was fixed for hearing. On 6th December 1969 the learned Advocate for the Union filed a petition for time on the ground that a talk of compromise was going on. On that petition 26th December 1969 was fixed for effecting compromise or in default for hearing. To-day Shri Ramesh Choudhury, Advocate for the three companies concerned, and Shri K. C. Banerjee, Advocate, representing the Union, are present. Both of them say that the parties have arrived into a settlement between them in respect of the five issues referred to this Tribunal along with some other issues. It is also admitted by the parties that in the settlement so arrived at some other companies and their workmen also joined. It is further admitted by the learned Advocates that as a result of the companies there is no longer any dispute between the three companies concerned and their workmen regarding the five issues referred to this Tribunal. That being so the reference should be disposed of on a "no dispute" award.

In view of what goes above the reference is disposed of on a "no dispute" award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Punjab National Ice Factory Pvt. Ltd., and their workmen represented by Pannalal Mahatty and 24 others, to this Tribunal by its order No. 8233-I.R., dated 23rd October 1969, under section 10 of the Industrial Disputes Act for adjudication on the following issue:

Issue

Whether lock-out of the Rubber Division with effect from 8th April 1969 was justified and whether subsequent closure of the Rubber Division with effect from 12th June 1969 is real? To what relief, if any, are the workmen entitled?

I received this reference on 29th October 1969 from the Government of West Bengal. In this reference the workmen concerned were represented

by Shri Pannalal Mahatty and 24 others. On 20th November 1969 Shri Pannalal Mahatty and other workmen concerned by their signatures gave their authority to Shri A. Das Chowdhury, Advocate, to represent them in the above matter at all stages of the proceedings. The said authority is on the file. On the very same day I gave a direction for filing of the written statement by the workmen by 9th of December 1969. On that date, however, Shri A. K. Sarker, Advocate, appearing for the Management and Shri Das Chowdhury representing all the workmen filed a joint petition annexing thereto a memorandum of settlement. They apprised me that the dispute had been settled in terms of the memorandum of settlement annexed with the said petition.

I have perused the memorandum of settlement and I find that the dispute under reference is covered by the said terms of settlement. The terms of settlement are also fair, lawful, reasonable and not unconscionable; as such I have no hasitation to accept it and to pass an award accordingly as asked for.

Hence, I pass an award in terms of the memorandum of settlement filed herein, which will also form a part of the award.

This is my award.

Dictated and corrected by me.

AWARD

This is a reference under section 10 of the Industrial Disputes Act, made by order No. 7626-I.R./IR/10L-88/68, dated 26th September 1969, passed by the Labour Department of the Government of West Bengal, to this Tribunal for adjudication of an industrial dispute in respect of the undermentioned issue as existing between Messrs. ACC-Vickers-Babcock Ltd., P.O. Durgapur-6, district Burdwan and their workmen represented by ACC-Vickers-Babcock Employees' Union, Shapna Market, Durgapur-6 :

Issue

Is the Company liable to pay bonus to its workmen for the financial year 1967-68 ? If so, what should be the quantum ?

On receiving the reference this Tribunal issued notice to both sides and the parties duly appeared on getting notice. It was ordered on 17th November 1969 that the Union should file its written statement on 12th December 1969. But on 12th December 1969 both the parties appeared and filed a joint petition along with a Memorandum of Settlement stating that in view of the agreement arrived at, none of the parties would contest the present proceedings. They also prayed that a "No-dispute" award may be passed in the instant reference. The joint petition has been duly signed by the representatives of the Company and also of the Union.

I have considered the Memorandum of Settlement and I find that the terms incorporated there are fair, reasonable and lawful and I accept the same. I, therefore, pass a "No-dispute" award in the present reference in terms of the Memorandum of Settlement and the joint petition of compromise which do form part of the award.

Representing Workmen :

Short recital of the case :

The Company received from ACC-Vickers-Babcock Workers' Union and ACC-Vickers-Babcock Employees' Union, a demand in writing for payment of bonus to the employees of the Company at the rate of 20 per cent. of their carnings for the financial year 1967-68. The Company has made no profit so far since its inception. On the other hand, its accumulated loss as on 31st March 1968 amounted to Rs. 3,05,07,879 and as such the Company is unable to share any profit with the workmen because there is no profit. Secondly, the financial year 1961-62 being the trial run year and the financial year 1962-63 being the first year of commercial operation, this Company is not liable to pay bonus under the Bonus Act, 1965. The Company is still covered by the bonus holiday period. The above views were communicated to both the aforementioned Unions under advice to the Deputy Labour Commissioner, Durgapur. The Unions have not accepted the hereinbefore stated facts by the Management and had referred the matter to the Deputy Labour Commissioner, Durgapur. After having gone through a series of meetings before the Concilation Officer wherein various proposals and counter-proposals were made, eventually the following settlements have now been amicably arrived at.

Terms of Settlement

1. The Company maintain that in terms of the Bonus Act, 1965, no bonus, as claimed by the Union, is payable to its employees by the Company for the financial year 1967-68. Nevertheless, as a gesture of goodwill and with a view to maintain a cordial and harmonious relation with the employees, the Management is pleased to agree to payment of an ad hoc amount of 4 per cent. and an advance of 2 per cent. making a total of 6 per cent. earnings consisting of basic wage, dearness allowance and interim relief to all confirmed employees of this Company drawing a basic salary of less than Rs. 500 per month during the period of 1st April 1967 to 31st March 1968, both days inclusive. While disagreeing with and contesting the contention of the Union that the Management has become liable to pay bonus for the year 1967-68, the Management is prepared to refer the dispute to the Tribunal seeking their verdict on whether or not the Company is liable to pay bonus in terms of the Bonus Act, 1965, to its employees for the financial year 1967-68. The payment made as indicated above will be set off against the quantum as awarded by the Tribunal but the Management agree to recover not more than 2 per cent. of the total 6 per cent. mentioned above even if it becomes authorised to do so by virtte of the Tribunal award.

2. The management agrees further to make a Puja Advance to the extent of 1 per cent. of the total earinings of the employees during the period mentioned above and no recoveries on account of the Puja advance will be made from the salaries and wages payable during the months of October and November 1968 during which period the Management, in consulation with the Union will decide on the liquidation of the above liability.

3. It is also understood that in the event of the Company being held liable to pay bonus in future years under the Bonus Act, 1965 and/or any other regulations, the liability of the Company for payment will be strictly limited to the amount calculated in accordance with the relevant provisions of the Bonus Act, 1965 and/or under any other regulation in force and to nothing beyond.

4. The date of agreement would be the date of entitlement, i.e., only those employees who were in employment for any time from 1st April 1967 to 31st March 1968 and who are on the roll of the Company on the date of agreement, will be entitled to the above payment.

5. The Unions maintain that the Company on the trading results as well as under the Bonus Act, 1965, has become liable to pay bonus for which they wish that the balance-sheets of the Company for the relevant year should be scrutinised by an independent authority. The Management has no objection to this.

6. At the first stage, the relevant balance-sheet will be examined and scrutinised by the Commercial Accounts Department of the Government of West Bengal or any other authority as deemed fit by the State Government and if the findings of these bodies are not acceptable to either or both the parties a reference must be made to an Industrial Tribunal seeking their verdict as to whether the Company is liable or not to pay bonus for the financial year 1967-68.

7. The amount to be recovered as calculated under clause 1 above will be recovered from the employees in instalments after the award of the Tribunal has been published in the "Calcutta Gazette". Both parties reserve the right to appeal against the award of the Tribunal.

8. It is hoped that the employees will appreciate the gesture of the management and maintain discipline and put their best efforts to increase production for the benefit of all.

9. The payments referred to above will be made on the following dates :

(a) Daily-rated employees—24-9-68.

(b) Monthly-paid employees—25-9-68.

ANNEXURE

In the matter of an industrial dispute between Messrs. S. V. S. Marwari Hospital, 118 Amherst Street, Calcutta-9, and their workmen represented by S. V. S. Marwari Hospital Employees' Welfare Union, 109/B Keshab Sen Street, Calcutta-9. (Case No. 428/66.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :
Shri T. K. BANERJEE, Judge,
Fourth Industrial Tribunal.

For the Union : Shri Panchanan Bhattacharjee.

For the Hospital : Shri J. R. Jain, Labour Adviser.

The Government of West Bengal, Labour Department, by its order No. 4560-I.R./IR/11L-420/66, dated the 26th November 1966, referred this industrial dispute between Messrs. S. V. S. Marwari Hospital, 118 Amherst Street, Calcutta-9 (hereinafter referred to as the hospital), and their workmen represented by S. V. S. Marwari Hospital Employees' Welfare Union, 109/B Keshab Sen Street, Calcutta-9 (hereinafter referred to as the Union), to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issues :

Issues

1. Grades and scales of pay and dearness allowance for the Class III and Class IV staff.
2. Fixation of house rent and uniform allowances.
3. Weekly off, working hours and leave including medical leave;
4. Free medical treatment; and
5. Permanence of workmen as mentioned in the attached list (Annexure 'A' to this award).

After service of notice both the parties appeared and filed their respective written statements.

The case of the Union as made out in the written statement is as follows :

The S. V. S. Marwari Hospital is one of the oldest hospitals in West Bengal, but the wages of their workmen are below the subsistence level; and their wages were never fixed on any scientific basis. The existing wage-structure has been fixed arbitrarily, and there is no classification of pay scale according to the skill and nature of duties of the workmen. The scales of pay of the workmen of this hospital are much less than what is paid in similar industries.

The dearness allowance that was fixed long ago bears no relation with the current cost of living index, which has increased steadily since sometime past.

There is no system of payment of any Cash Allowance, Compensatory Allowance, City Allowance and Boarding Allowance to the workmen of this hospital.

The wages of the workmen should be viewed from socio-economic aspect; and it should be fixed on the need based minimum basis.

Leave and holidays have also been fixed arbitrarily, and there is no specific leave rules in this hospital. The workmen are not getting festival

holidays, national holidays and casual leave. They are getting only earned leave of one month which can accumulate up to three months, and medical leave of one month if a workman is admitted in the hospital. Quarantine leave for infectious disease is granted at the sweet will of the management. Female workers are not getting maternity leave as per Maternity Benefit Act, 1961.

The working hours have also been fixed arbitrarily; and the workmen are compelled to work in overlapping shifts. They have to work for more than 48 hours in a week and are never allowed to enjoy weekly off-day. They are not paid even overtime wages or compensatory leave for extra hours of duty and for work on weekly rest day or holiday.

The uniform and washing allowance are not paid to all categories of workmen; and the meagre allowance that is paid to some of the workmen in this regard is much less than what is being paid in other hospitals.

The house rent allowance is not paid to the workmen; and none of them is provided with family quarters. All the workmen and the members of their families are not allowed free medical treatment from the hospital.

There are no standing orders or service rules, and the employees have to depend upon the whims and sweet will of the employer for their confirmation in service.

This hospital has been making gradual progress and most of the beds are paying beds; but the workmen have been deprived of their legitimate monetory and other benefits.

The demand of the Union as mentioned in the written statement is indicated below :

1(a) Introduction of grades and scales of pay with retrospective effect as mentioned in Annexure "B" attached hereto.

(b) Fixation of basic pay for all categories of workmen with proper weightage for old service.

(c) Payment of dearness allowance at the rate Rs. 50 per month with retrospective effect and further increase on the basis of rupee one for every five points' rise in consumer price index numbers in future.

(d) Boarding allowance at the rate of Rs. 2 per day for Nursing Staff.

2(a) House rent allowance at the rate of 15 per cent. of the wages with a minimum of Rs. 20 per month for all categories of workmen who have not been provided with family quarters.

(b) Uniform allowance at the rate of Rs. 10 per month for Nursing Staff.

3(a) Introduction of 8 hours' work in a day with half-an hour recess.

(b) Weekly off-day for all categories of workmen.

(c) Earned leave with wages of one day for every eleven days of duty, accumulative up to four months.

(d) Casual leave with wages of 15 days per year, but not exceeding 7 days at a time.

(e) Medical leave with wages of one month per year on medical grounds, accumulative up to one year.

(f) Maternity leave as per Maternity Benefit Act, 1961.

(g) Quarantine leave with wages for infectious diseases, viz., T.B., Leprosy, Cholera, etc.

(h) 10 days festival holidays including National Holidays per year.

(i) Compensatory leave for work on weekly off-day and holidays.

4. Free Medical Treatment for family members of all categories of workmen.

5. Permanency of workmen if and when they complete 6 months' continuous service.

The case of the employer-hospital as made out in the written statement is stated below :

This hospital is a charitable institution and is run without much financial help from the Government or statutory body. It is not run on profits ; and its financial position has now gone from bad to worse. The Calcutta Corporation was giving an annual grant of Rs. 12,500 (which was subsequently reduced to Rs. 10,000) to this hospital, but suddenly the said grant has been stopped since 1964. As a result of this and to avoid closing down of the hospital the management has started charging Rs. 2 per bed from the indoor patient, but this has not at all solved the financial difficulties of the institution. The expenditure of the hospital has been increasing from year to year and consequently the deficit is gradually becoming wider. The future of this hospital is dark and it is not in a position to bear any extra financial burden.

Most of the issues in the present reference were subject-matter of an earlier reference before a Tribunal in which a compromise award was passed on 29th December 1960. The said award has not yet been terminated as required under section 19 of the Industrial Disputes Act ; and as such the present reference is not competent and maintainable in law.

After the said award the management gave voluntary increment of Rs. 8 and Rs. 6 to Class III and Class IV employees respectively and the said increment was again reported in the year 1965. The workmen get annual increment of Rs. 2 and Re. 1 for Class III and Class IV staff respectively. The wage structure in this hospital is quite satisfactory compared with that

followed in similar hospital. The wages and dearness allowance are paid separately ; and the present dearness allowance and basic salary are also quite satisfactory. Due to its financial condition the hospital will not be in a position to bear any extra burden in the shape of granting of any increase in wages under Issue No. 1.

The question of house rent allowance does not and cannot arise as the hospital is ready to provide quarters to its employees. Clerks, Compounders, Nurses and Sub-staff are all provided with quarters—those who are married are provided with family quarters and those who are unmarried are provided with bachelor quarters. The hospital is still in a position to supply more quarters to its employees; but there are certain employees who have got their residence in Calcutta and who find it more profitable to stay there with their families, and not to stay in the hospital.

The supply of uniform has reference to the nature of work done ; and the management supplies uniform to those who really need it. The others cannot make any claim on this account.

The nature of service in the hospital is essential service which has been declared by the Government as public utility service. Every permanent employee or subordinate staff (completing one year's service) is allowed one month's leave on full pay and one month's medical leave with full pay. Considering the essential nature of service and in view of severe responsibility of the hospital authority to the public, the existing working hours of the staff cannot be reduced. There is no merit in the Union's claim of weekly off-day, reduction of working hours and casual leave for 15 days. Maternity leave is given according to the circumstances of each particular case. There cannot be any claim for quarantine leave or for 10 days' festival leave and compensatory leave.

The hospital employees are allowed medical treatment including free bed in hospital, free advice of doctor including prescription and free supply of medicine as is available in the hospital. The free treatment is also extended to their dependent family members.

In the earlier compromise award it has been provided that the workmen will be made permament after completion of 12 months' service. The hospital is adhearing to that agreement and the award strictly since then.

At the outset the hospital has taken a preliminary objection to the effect that most of the issues in the present reference were subject-matter of an earlier reference before a Tribunal in which a compromise award was passed on 29th December 1960, that the said award has not yet been terminated as required under section 19 of the Act, and that as such the present reference is not competent and maintainable in law In reply to the preliminary objections the Union has rightly pointed out that the sponsoring Union was not a party to the agreement on the basis of which the said compromise award was passed. There is also no dispute between the parties that the period of settlement has expired by efflux of time. It appears from the records that the Union submitted a charter of demands (Ext. 8) on 7th April 1966 on the basis of which the present dispute has arisen. In the case between the Cochin State Power Light Corporation Ltd. and its workmen reported in 1964, F.L.R. IX, at page 107, the Hon'ble Supreme Court has held that if after the expiry of the period of settlement by efflux of time, the Union submitted a charter of demands wherein it was stated that the Union had resolved to terminate the settlement and submit the present demands, that was sufficient notice as required under section 19(2) of the Act. No question of notice under section 19(2) of the Industrial Disputes Act however arises in the present case as the sponsoring Union was not a party to the compromise award ; and as such, the said award is not binding on the Union. In the circumstances, I overrule the preliminary objections and hold that the present reference is valid and maintainable in law.

I shall now proceed to consider the case on merits regarding each issue separately.

Issue No. 1

The Union has produced the certified copy of an award passed by Shri S. K. Haldar on 19th January 1949 whereby grades, scales of pay and dearness allowance, inter alia, of the workers of the hospital were fixed. Shri Gour Mohan Garai (P.W. 1), Secretary of the Union, has deposed that there has been no revision of pay scales since the award of 1949, that the last revision of dearness allowance of the employees was made in 1962, that there are 500 beds in this hospital, out of which 250 beds have been hired by the State Government, that the hospital gets rent from the Government for those 250 beds, and that the remaining 250 beds are maintained by the hospital. Ext. 2 shows the existing grades and scales of pay and dearness allowance of Class III and Class IV staff of the hospital, who are concerned in this issue. In cross-examination P.W. 1 has stated that the employees got increment according to the scales mentioned in the award of Shri Haldar (Ext. 1), that after the said award made in 1949, there had been revision in dearness allowance in 1962 by some increase, and that in 1965 there was some special increment in the wages of the employees. The Union has claimed introduction of grades and scales of pay with retrospective effect as mentioned in Annexure 'A' to its written statement. Dearness allowance has been claimed at the rate of Rs. 50 per month with retrospective effect and further increase on the basis of Re. 1 for every five points rise in Consumers' Price Index number. The existing grades and scales of pay and dearness allowance of Class III and Class IV staff of the hospital have been mentioned in Ext. 2. It appears from the certified copy of the Consumers' Price Index number for the working class in Calcutta (Ext. 4), that the average price index for the year 1962, when the last revision in dearness allowance was made, was 422 whereas in July 1967, the said index had gone up to 636. The law is well settled that in

order to determine fair wages the important factors are the capacity of industry to pay and the prevailing rates of wages, and that these are to be appraised on the footing of industry-cum-region basis. Regarding the regal privileges to be followed there is no dispute between the parties.

In answering to the Union's claim it is contended on behalf of the hospital that its financial position has now gone from bad to worse, that the Calcutta Corporation has stopped its grant to the hospital since 1964, and that in view of its present economic position it is not in a position to bear any extra financial burden.

On behalf of the hospital its Assistant Manager, Shri Shyama Singh (O.P.W. 2), has deposed that this hospital is in existence for the last 49 years, that there are 225 beds including cabins, that previously there was no bed-charge but after the stoppage of grant by the Corporation of Calcutta in 1964, Rs. 2 per bed per day is being charged for the last two years, that the daily expense is about Rs. 4 per bed and medicine is distributed freely to the outdoor patients, that since the stoppage of grant the hospital is being run at a loss and its financial position is such that it may be closed down on any day, that in 1965 Class III employees were given an increment of Rs. 8 and Class IV employees an increment of Rs. 6, that since the compromise award in 1960, the Class III and Class IV employees are being given annual increment of Rs. 2 and Re. 1 respectively, that the emoluments and other benefits received by the employees of this hospital are better than those of the employees in other hospitals and that the hospital is not in a position to give anything more to its employees. In cross-examination O.P.W. 2 has stated that since 1st September 1968, the hospital is charging 10 paise to each outdoor patient, that if an outdoor patient is examined by the visiting doctor, he has to pay Re. 1 for every fortnight, and that the number of outdoor patients is increasing.

O.P.W. 3, Shri Sreeram Dalmia, who has been working as the Honorary Accountant since 1966, has deposed that he is conversant with the financial position of the hospital ; that the Balance Sheets for the years 1965-66, 1966-67 and 1967-68 have not been audited ; that in 1965-66 there was a loss of Rs. 80,000, while in 1966-67 there was a loss of Rs. 60,000, and in 1967-68 the loss was to the tune of Rs. 1,25,000. He has stated further that by charging at the rate of 10 paise from the outdoor patients the hospital gets Rs. 20 or Rs. 21 per day. In cross-examination O.P.W. 3 has stated that since September or October 1968, the hospital is charging Rs. 3 per bed per day; that all the beds are paying beds ; and previously the charge of bed was Rs. 2 per day ; that X-Ray charge has also been icreased from Rs. 5 to Rs. 8 since October 1968 ; and that since then charge is also taken for stool, urine and blood culture.

The Union has claimed revision of grades and scales of pay of Class III and Class IV staff in accordance with the provision of the awards made in the cases of the R. G. Kar Medical College and Hospital and the Mayo Hospital, Calcutta. The award of the Second Industrial Tribunal made in the industrial dispute between the State of West Bengal and the employees of R. G. Kar Medical College and Hospital was published in the "Calcutta Gazette" on March 5, 1960; and it has been marked Ext. 1/b in the present case. The wage structure of the R. G. Kar Medical College and Hospital, which is managed by the Government, cannot, in my opinion, be compared with that of a private hospital like the S. V. S. Marwari Hospital which depends mainly on charities, and not on any grant by the State Government. The other award on which the Union relies is the award of the Sixth Industrial Tribunal made in the dispute between the management of Mayo Hospital and their workmen, which was published in the "Calcutta Gazette" on Dectmber 29, 1966. The Mayo Hospital is, of course, a private hospital and depends on charity and Government grants. The balance sheet of the Mayo hospital, Ext. 7/c, shows that in the year ended 31st December 1965, there was a deficit balance of Rs 76,003.18 p. In the award, Ext. 1/a, the Tribunal did not revise the grades and scales of pay of the employees of Mayo Hospital on the grounds that if grades and scales of pay of the employees were again increased, the hospital would be unable to pay the same and the hospital authority would be compelled to close the hospital, and that it was not at all desirable that the said hospital should be put in such financial position as to force the authorities to close it, in which event the public would be the worst sufferer. It is true that thereafter in July 1967, an ad hoc relief at the rate of Rs. 20 from the month of June 1967, was given to all the sub-staff of Mayo Hospital.

Now, I proceed to consider the financial condition of the employer in the instant case, viz., the S. V. S. Marwari Hospital. It appears from the balance-sheets of this hospital (Ext. D series) that it is being run at a continuous loss. This will be apparent from the chart, Ext. F, the correctness of which has not been challenged on behalf of the Union. It shows that in 1964-65 there was a deficit of Rs. 52,320. It is clear from the evidence of O.P.W. 3 that the quantum of deficit has increased in subsequent years, and that in 1967-68 the loss is to the tune of Rs. 1,25,000. It is true that the existing grades and scales of pay of Class III and Class IV staff of this hospital are not on any scientific basis; but considering its present economic position I am not inclined to put any extra financial liability at present on the hospital by way of revision of grades and scales of pay, specially in view of the admitted fact that some special increment had been given to them in 1965. But at the same time I think that I should give some benefit to the Class III and Class IV staff by way of increasing their dearness allowance in view of the fact that the consumers' price index number has gone up much than what it was in 1962 when the last revision in dearness allowance was made. The Union has claimed dearness allowance at the rate of Rs. 50 per month with retrospective effect and further increase on the basis of Re. 1 for every five point rise in consumer price index number in future. But in view of the present financial condition of the hospital I think I would not be justified in

allowing dearness allowance at that rate or at the rate given in the Government hospital. On the materials in the record and in the facts and circumstances of the present case I direct the hospital to pay an additional dearness allowance of Rs 20 per month to all the Class IV staff and Rs. 25 per month to all the Class III staff including those who are not getting any dearness allowance at present. The financial burden on the hospital for this increased dearness allowance will not be much in view of the admitted fact that since September/October 1968, the hospital has increased its bed charge by Re. 1 per day and is also is realising Rs. 20 or Rs. 21 per day from the outdoor patients. From these sources the hospital is having an extra income of over Rs. 7,000 per month since September/October 1968. This extra income is more than sufficient to meet the extra burden in the form of additional dearness allowance allowed by me. Issue No. 1 is thus disposed of.

Issue No. 2

The Union has claimed house rent allowance at the rate of 15 per cent of the wages with a minimum of Rs. 20 per month for all categories of workmen who have not been provided with family quarters. The hospital has contended in the written statement that the question of house rent allowance does not and cannot arise as the hospital is ready to provide quarters to all its employees, that those who are married are provided with family quarters and those who are unmarried are provided with bechelor quarters, and that the hospital is still in a position to supply more quarters to its employees

In the circumstaness I direct the hospital to provide quarters to all its employees but if the hospital fails to provide quarters to any of its employees, such employee will be entitled to house rent allowance at the rate of Rs. 15 per month in case of Class IV staff and Rs. 20 per month in case of Class III staff till he is provided with quarters by the hospital

The Union has claimed uniform allowance at the rate of Rs. 10 per month for the nursing staff It is admitted before me that the hospital supplies uniform to the nurses The Union claims this allowance for regular washing of this uniform. The hospital undertakes before me that the washermen of the hospital will wash this uniform In that view of the matter I do not like to allow any uniform allowance for the nurses and staff as prayed for. Issue No. 2 is disposed of accordingly.

Issue No. 3

The Union has claimed introduction of eight hours' work in a day with half-an-hour recess, weekly off day for all classes of workmen, carned leave with wage. of one day for every eleven days' duty accumulative up to four months, casual leave with wages of 15 days but not exceeding seven days at a time, medical leave with wages of one month per year on medical ground accumulative up to one year, maternity leave as per Maternity Benefit Act, 1961, quarantine leave with wages for infectious diseases, ten days festival holidays including national holidays per year and compensatory leave for work on weekly off-day and holidays. It appears from the chart, Ext. 2, that at present the employees of this hospital get one month's earned leave, one month's medical leave and ten days' casual leave per year. In the written statements the hospital states that the maternity leave is given according to the circumstances of each particular case.

Considering that the nature of service in the hospital is essential service, I am not inclined to revise the existing leave conditions prevailng in the hospital, but at the same time I direct the hospital to follow the rules of eight hours work in a day with weekly off day for all categories of workmen. The hospital is also directed to allow maternity leave as per the Maternity Benefit Act, 1961. The workmen will also be entitled to three days national holidays per year (i.e., 26th January, 15th August and 2nd October). Issue No. 3 is thus disposed of.

Issue No. 4

The Union has claimed free medical treatment for family members of all categories of workmen It is stated by the hospital in the written statement that the hospital employees are allowed medical treatment including free bed in the hospital, free advice of doctors including prescriptions and free supply of medicine as is available in the hospital and that the free treatment is also extended to their dependant family members.

In the circumstances, I allow free medical treatment as admitted by the hospital in its written statement. Issue No. 4 is disposed of accordingly.

Issue No. 5

It is the claim of the Union that the workmen should be made permanent when they complete six months' continuous service. It is contended by the hospital in the written statement that in the earlier award it has been provided that the workmen will be made permanent after completion of 12 months' service, and that the hospital is strictly adhearing to that award since then.

In the circumstances, I direct the hospital to follow the earlier compromise award regarding permanency of the workmen. The workmen mentioned in Annexure "A" to this award will be governed under the said rule. Issue No. 5 is thus disposed of.

This is my award.

ANNEXURE

In the matter of an industrial dispute between Messrs. Mohini Mohan Kanjilal, 78/2 Mahatma Gandhi Road, Calcutta-9, and their workman Shri Shambu Nath Auddya, represented by Shop Assistants Association of Bengal, B-73 College Street Market, Calcutta-12, referred under G.O. Present:

Shri M. N. ROY, Judge,
Second Labour Court.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Mohini Mohan Kanjilal, 79/2 Mahatma Gandhi Road, Calcutta-9 and their workmen Shri Sambhu Nath Auddya, represented by Shop Assistants' Association of Bengal, B-73 College Street Market, Calcutta-12, to this Court by its order No. 6098-I.R./IR/11L-522/69, dated 12th August 1969, under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication on the following issue:

Issue

Whether the termination of service of Shri Sambhu Nath Auddya is justified? What relief, if any, is he entitled to?

7th October 1969 was fixed for filing written statement by the Union. On that date the Union was absent and did not file any written statement. On two subsequent dates, i.e., on 7th November 1969 and 8th December 1969 the Union did not file any written statement and also did not take any steps. On 8th December 1969 both parties were found absent and as such today (12th December 1969) was fixed for passing necessary orders. Today also the parties are found absent and no steps have been taken by them. In such circumstances and from materials on record there are reasons to believe that the dispute between the parties has ceased to exist or that they are no longer interested in this dispute. Accordingly a 'No-dispute' award is passed in this case.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act filed by one Shri Sardarin Valmiki, residing at 1 Joy Bhattacharyya Lane, Calcutta-3, an employee of Messrs. Chitpur Pressing Co. Ltd., 105 Old China Bazar Street, Calcutta, against the aforesaid Company. (Case No. 27 of 1969 under section 33A.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri N. M. Das Gupta and Shri D. K. Das Gupta, Advocates.

Present for the Workman: Shri Panchanan Bhattacharyya, an officer of the Union.

This is an application under section 33A of the Industrial Disputes Act filed by one Shri Sardarin Valmiki, an employee of Messrs. Chitpore Pressing Company Ltd., against the aforesaid Company, alleging contravention of section 33 of the Act by the Company.

The original reference out of which this case has arisen was made under G. O. No. 4391-I R./IR/7L-36/66, dated the 17th November 1966.

The case of the petitioner is as follows :—

The petitioner was a workman under the Opposite Party-Company. She demanded wages for holidays, sick leave and other kinds of leave, and the benefit of Provident Fund. She was told to avail of some accumulated leave. She was also told that she would be later paid her leave wages due. The petitioner availed of accumulated leave and returned on the 23rd May 1969. She was asked by the Company to give up her claim of wages for leave due. On her refusal to do so she was dismissed from service. At the time of her dismissal a reference was pending before the Tribunal and as such, the Company acted in violation of section 33 of the Industrial Disputes Act.

The application is opposed by the Company. The Company has taken a preliminary legal objection as to the maintainability of the application. It is submitted by the learned lawyer appearing on behalf of the Company that even if the allegations in the application be accepted as true, still it should be held that the application is not maintainable. He says that the petitioner has not made out any case in the application that she was discharged or dismissed on account of misconduct. The learned representative for the petitioner refers to the case reported in 1965 L.L.J., Vol. 1, p. 422 in which it has been held by Their Lordships that an application under section 33A of the Industrial Disputes Act would be maintainable where the termination is by way of punishment. In my opinion the principle enunciated in the case mentioned above does not apply to the facts of the present case. In the abovementioned case the application was held maintainable as it was found that the Company had terminated the services of the workman by way of punishment. But it is not the case of the present petitioner that she was dismissed by way of punishment. No case has been made out by her in her application that she was dismissed on ground of misconduct. In this connection the principle enunciated by His Lordship in the case reported in Indian Factories and Labour Reports, Vol. 5, 1962, page 465 should be referred to. It has been held in that case that discharge contemplated in section 33(2)(b) must be discharge for misconduct. It has been further observed in that case that the expressions 'conditions of service' or 'alteration in the conditions of service' clearly imply the continuance of employer-employee relationship. Once the services of a particular employee is terminated, there is no question of alteration of his conditions of service. As to whether the discharge is proper or not, does not at all arise in the proceedings under section 33A. The workmen have got other remedies available to them; and it is open to them there to ventilate their grievances. If there is wrongful discharge or termination of service of a workman, the remedy is elsewhere. But as the petitioner of this case has not made out any case that she was dismissed or discharged on ground of misconduct, it must be held that this application under section 33A is not maintainable.

The application is, therefore, rejected.

AWARD

By Labour Department order No. 3649-I.R./IR/10L-287/68, dated 29th May 1969, the Governor was pleased to refer the instant dispute between Messrs. Wayside Garage (P) Ltd., Works at Uluberia, Howrah and Head Office at 166B Shyama Prasad Mukherjee Road, Calcutta-26, and their workmen represented by Uluberia Sub-Division Motor Transport Workers' Union, 3 Shyama Charan Mukherjee Lane, Shibpur, Howrah, under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication on the following issue :

Issue

Whether the refusal of employment to Shri Abdul Mallik (Driver) is justified ? To what relief, if any, is he entitled ?

On receipt of the reference usual notices were issued on both the parties fixing 30th June 1969 for the appearance of the parties to take necessary direction for filing written statements. On 19th July 1969 the Union appeared through its Vice-President, Shri R. S. Singha and filed a petition for time to file written statement. On such prayer 18th August 1969 was fixed as the date for filing written statement by the Union. On 18th August 1969 the Union again filed a petition for time to file written statement and 6th September 1969 was fixed for that purpose. 6th September 1969 having been declared a holiday the case was taken up on 8th September 1969 and on Union's petition 29th September 1969 was fixed for filing of written statement by the Union. The Company did not appear up to 8th September 1969. On 29th September 1969 neither party appeared and 15th October 1969 was fixed for orders. On 15th October 1969 neither party appeared and 8th November 1969 was fixed for passing a "no dispute" award if in the meantime the parties did not take any steps. Fresh notices were issued upon the parties warning them that in case of their absence on the date fixed a no dispute award would be passed. On 8th November 1969 the Company was present. Service return on the Union was not received back and 19th November 1969 was fixed for receipt of the service return. On 19th November 1969 the Company was present but the Union was absent. Return showed that the warning notice was duly served on the Union. So 29th November 1969 was fixed for hearing if in the meantime the Union did not take any step. On 20th November 1969 Shri J. Pandey, President of the Union, was contacted and was informed of the date. Today the parties have not appeared. The circumstances prove that the parties are no longer interested in this dispute probably becaused they have settled it outside this Tribunal. In the circumstances there is no alternative but to dispose of this reference on a "no dispute" award.

The reference is disposed of on a 'no dispute' award.

AWARD

By order No. 674-I.R./IR/10L-2/63, dated the 16th February 1963, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. S. Paikrary, Contractor and Labour Supplier of (i) Messrs. Tatanagar Foundry Co. Ltd., Belur, Howrah and (ii) Messrs. Tatanagar Foundry Co. Ltd., Belur, Howrah and their workmen represented by (i) NISCO and Associated Factories Mazdoor Union, 7B Rani Rashmoni Road, Calcutta, and (ii) NISCO Karmachari Sangha, 38 Ramnabamitala Lane, Bally, Howrah, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether the lay-off of the workmen from 27th November 1962 is justified ? To what relief, if any, are the workmen entitled ?

On receipt of the notices issued by this Tribunal, the Unions concerned and the Company entered appearance and filed their respective written statements on different dates. Then the hearing of the case commenced on 11th May 1966 and some witnesses were examined on 11th May 1966, 12th May 1966 and 16th May 1966. Thereafter none of the parties has been taking any interest, as it appears from the record in the case. The Company took several adjournments after 16th May 1966, on various pretexts and after 27th December 1967 none of the Unions turned up, nor any steps taken on behalf of any of the Unions. Ultimately, the case was fixed on 1st December 1969 for further evidence and on that date neither the Company nor any of the Unions was present and no steps were taken by any of the parties. In the premises, I can legitimately draw the inference that the parties (i.e. the Unions concerned and the Company) are no longer interested in the matter and that no dispute exists any longer between the parties. Hence, I pass a "no dispute" award in the case.

The humble joint petition on behalf of the parties—

Most Respectfully Sheweth :

1. That the above matter has been amicably settled between the parties, out of Court, on the following terms, namely,—

(a) That the workmen and the Union accept that the retrenchment of the 20 workmen (whose names are mentioned in the above order of reference) with effect from the close of the day on 12th July 1968 is justified and that they are not entitled to any relief.

to amend the Calcutta University Act, 1966.

WHEREAS it is expedient to amend the Calcutta University Act, 1966, for the purpose and in the manner hereinafter appearing; West Ben Act II of 1966.

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the Calcutta University (Second Amendment) Act, 1970.

The Calcutta University (Second Amendment) Bill, 1970.

(*Clause 2.*)

Amendment of section 40 of West Ben. Act II of 1966.

2. In section 40 of the Calcutta University Act, 1966, for the words "or the invalidity of the election of any of the members", the words ", the invalidity of the election of any of the members or the exclusion of any person from participating in such election" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Section 40 of the Calcutta University Act, 1966 (West Bengal Act II of 1966) as it stands at present lays down that no act or proceedings of the University or any of the authority or body of the University shall be deemed to be invalid merely by reason of the existence of vacancy or vacancies among its members or the invalidity of the election of any of the members. It is thus clear that invalidity is cured only where the reason is the existence of a vacancy or vacancies among its members or the invalidity of the election of any of its members. Where a person is excluded from voting on the mistaken notion that he is not a member, it will not come within the scope of section 40 as it stands at present.

By the proposed amendment the wordings of section 40 have been altered to also include a case of such omission.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 108L.—21st January, 1970.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

BILL No. 9 OF 1970

THE CALCUTTA MUNICIPAL (AMENDMENT) BILL, 1970.

A

BILL

to amend the Calcutta Municipal Act, 1951.

WHEREAS it is expedient to amend the Calcutta Municipal Act, 1951, for the purpose and in the manner hereinafter appearing; West Ben. Act XXXIII of 1951.

It is hereby enacted in the Twenty-first Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Calcutta Municipal (Amendment) Act, 1970.

Insertion of new section 153A in West Ben. Act XXXIII of 1951. **2.** In Chapter IX of the Calcutta Municipal Act, 1951, after section 153, the following section shall be inserted, namely:—

"Power to Corporation to raise short-term loans. 153A. Notwithstanding anything contained in this Chapter, the Corporation may, with the previous sanction of the State Government, from time to time take a short-term loan, repayable within any period not exceeding twelve months, from the State Bank of India for such purpose, not being a purpose referred to in sub-section (*1*) of section 131, as may be approved by the State Government on such terms and on furnishing such security for the repayment of the loan as may be sanctioned by the State Government:

Provided that where the Corporation has taken any loan under this section, no fresh loan shall be sanctioned by the State Government under this section until after the repayment of the previous loan.".

STATEMENT OF OBJECTS AND REASONS.

Section 131 of the Calcutta Municipal Act, 1951, empowers the Calcutta Corporation to raise with the sanction of the State Government a loan, by the issue of debenture or otherwise on the security of the consolidated rate, etc., of any sums of money which may be required for the purposes specified in the said section, all of which are in the nature of capital expenditure. Under section 133 the Corporation may, instead of borrowing any sum from the public, take credit on such terms as may be sanctioned by the State Government, from any Bank on a cash account to be kept with the Bank. The Corporation has accounts with the State Bank of India. Under the existing provisions of the Calcutta Municipal Act, 1951, the Corporation cannot take any short-term loans from the State Bank of India for the purpose of replenishing its fund for the purpose of revenue expenditure. The result has been that the Corporation has occasionally to approach the State Government for ways and means advance to enable it to tide over its financial crisis. But it is not always possible for the State Government to sanction such advances as and when they are required. It is, therefore, felt necessary that some provision should be made in the Calcutta Municipal Act, 1951, under which the Corporation may be able to take short-term loans from the State Bank of India to meet its revenue needs when necessary on such terms and on furnishing such security as the State Government may sanction, subject, however, to the condition that a fresh loan under the new provision shall not be taken unless the previous loan has been fully repaid.

2. The present Bill has been framed with the above object in view.

CALCUTTA,
The 19th January, 1970.

GOVERNOR'S SECRETARIAT, WEST BENGAL

NOTIFICATIONS

No. 382-S.—12th January 1970.—The Governor is pleased to award the "Dr. Harendra Coomar Mookerjee Silver Medal" for the year 1968 to the undermentioned persons for outstanding acts of courage and self-sacrifice:—

Name and address of the person

1. Shri Anunoy Das, son of late Madhusudan Das, Babuganj, P.O. and district Hooghly.

Statement of the act performed for which the decoration has been awarded

On 17th March, 1968, at about 5 p.m., the son of one Md. Ainul of Protappore, Chinsurah, Hooghly, named Md. Rahim, aged 8 years, fell accidently into the river Hooghly near Jagannath Ghat. The accident was so sudden that the persons present there were bewildered and dumb-founded. However, one Shri Anunoy Das, a boy aged 16 years, a student of Duff High School, Chinsurah, who read the situation instantly in his own way, took immediate decision and plunged into the river. He swam to the boy who was being carried away by the strong current at that time. He succeeded in bringing Rahim to the shore almost in an unconscious state. He did not leave Rahim there, but took him immediately to the Chinsurah Sadar Hospital and got him admitted there for necessary treatment.

In saving the life of a drowning minor boy from a river with strong current at a great personal risk and under most hazardous circumstances, the young Anunoy displayed extraordinary courage and resolve, deep sense of civic duty and spirit of self-sacrifice which are indeed worthy of high appreciation.

Name and address of the person

2. Shri Kedar Misra, C/o. Shri N. K. Palit, Latbagan, Sahaganj, Hooghly.

Statement of the act performed for which the decoration has been awarded

On 5th February, 1968, between 11 and 11.30 a.m., three boys got into an empty boat, which was floating on the river Ganges near the shore being tied up with a rope. While the boys were jumping and playing on the boat, the rope with which the boat was tied up got loose, slipped away and started floating down the river in ebb tide. The two elderly boys jumped into the river and managed to swim safely to the shore. But, the third boy Shriman Ashis Kumar Sarkar, aged about 9 years, who did not know swimming, was being carried away in the boat. The other boys present on the river bank having raised a cry of alarm the attention of one Shri Subal Kundu was drawn to the incident and he immediately jumped into the river and swam to the boy. The boy, however, out of fear, caught Shri Subal Kundu by neck in such a bad manner that Shri Kundu was getting choked and was unable to swim. He cried aloud for help for his own life as well as for that of the boy. This again created an uproar on the river bank which drew attention of the inmates of a nearby house of Shri N. K. Palit. All the inmates of Shri Palit's house, including his cook Shri Kedar Misra, then came to the bank of the river. Shri Misra saw that both the boy and Shri Subal Kundu were struggling hard in the river. He took immediate decision and plunged into the river and swam swiftly to reach the drowning persons. On reaching them, Shri Misra snatched the boy away from Shri Kundu and caught him by his arm and came back to the shore safely. Shri Subal Kundu, who was now free from the clutches of the boy, also swam back to the shore safely. Thus, Shri Subal Kundu and the boy Ashis Kumar Sarkar were saved by Shri Kedar Misra from being drowned in the river.

In saving a drowning boy and a man from a river, at great personal risk and danger, Shri Kedar Misra displayed exemplary courage and spirit of self-sacrifice.

Name and address of the person

3. Shri Madan Das, 28 Ratan Babu Road, Cossipore, Calcutta.

Statement of the act performed for which the decoration has been awarded

On 12th May, 1968, at about 5.25 p.m., a boat with about 50 passengers—men, women and children—was going from Dakshineswar to Belur in strong current and amidst high winds. Just on its approach towards Ratan Babu's Ghat, the boat suddenly dashed against a floating "buoy" and capsized instantaneously. While the drowning passengers were being drifted in the southern direction of the river, some persons, who were taking bath in the river, witnessed this incident and raised a hue and cry. This also attracted the attention of one Shri Madan Das who happened to be present on the river bank at that time. He ran immediately towards the bathing ghat and, having studied the situation in a moment's time, plunged headlong into the river, which was in a turbulent state, to save the drowning persons without waiting for any assistance or instruction from any quarters. Shri Das struggled hard against the strong current and after great endeavour was successful in bringing alive to the shore one Shrimati Verma, a lady visitor from Delhi, and another person hailing from Serampore. Had Shri Das not taken timely action, disregarding all personal risks and danger, the two persons rescued would have been swept away by the strong current and lost their lives.

In rescuing the drowning persons from a river with strong current, at great personal risks and danger and under most hazardous circumstances, Shri Madan Das displayed exemplary courage and resolve, deep sense of civic duty and spirit of self-sacrifice which are indeed worthy of emulation.

Name and address of the person

4. Shrimati Ashoka Chatterjee (wife of Shri Subodh Ch. Chatterjee, Member, West Bengal Reserve Force F No. 2161 "B" Coy.), 14/10 Asgar Mistry Lane, Calcutta-46.

Statement of the act performed for which the decoration has been awarded

On 29th August, 1968, four girls residing in the premises No. 14/10, Asgar Mistry Lane, Calcutta-46, went to take their bath in a tank just behind their premises. While taking their bath they slipped into the deep water and were getting drowned. Shrimati Ashoka Chatterjee, wife of Shri Subodh Chandra Chatterjee, a Police Constable, who was residing in the same premises, came to this tank at this time to wash the dishes. She saw one of the girls Shrimati Minu Saha waiving her hands out of the water for help. At this sight, she at once jumped into the water and taking a great risk on her own life pulled out the drowning girls, one by one, by pulling their hair and saved them from their watery grave. Had Shrimati Chatterjee hesitated to come to their rescue, the precious lives of these four girls would have been lost.

In saving the lives of four young girls, in utter disregard of personal risk and danger, Shrimati Ashoka Chatterjee displayed extraordinary courage and resolve which are indeed worthy of emulation.

Name and address of the person

5. Shri Manick Ch. Das, son of Shri Ramesh Ch. Das, village Kadamtola, police-station Suti, Murshidabad.

Statement of the act performed for which the decoration has been awarded

On 11th April, 1968, at about 12-30 p.m., a big fire broke out in the village Amuha under the Kashimnagar Anchal, Murshidabad. Extreme heat, together with whirlwind, added fury to the fire and as a result two-thirds of the village were almost immediately under its grip giving a horrible look of a blazing furnace. People had absolutely no chance to remove their belongings. Within half-an-hour 174 families were rendered homeless and they were under the scorching sun without any food. One Shri Manik Ch. Das of Kadamtola came to this village on that day by chance. He witnessed the fury of the fire. In complete disregard of his own safety he entered into the burning house of an old woman named Shrimati Sarashi Bala Dasi and rescued her.

He also brought out through the burning roofs, almost all the belongings of this poor old woman. In this act of rare heroism he severely burnt himself and had to be treated for a long time in a hospital.

In rescuing a poor old woman and her belongings from a house on fire at great personal risks and danger, Shri Manik Ch. Das displayed exemplary courage and spirit of self-sacrifice.

Name and address of the person

6. Shri Hiren Sen, Sector Warden, Ward No. II of the Civil Defence Organisation, Jalpaiguri.

Statement of the act performed for which the decoration has been awarded

On the night of 4th October, 1968, the whole of Jalpaiguri town was flooded because of a breach created in the Bundh of the Karala river by heavy rains. The thatched huts of the poor people began to tumble down as the flood water rushed in. Innumerable human beings and cattle were being left at the mercy of this furious flood. The worst affected portion was the "Busti" area of the town where 17 families of the poor cultivators were living. As this area was in a very low land there were no "Pucca" buildings within 50 yards of its range. As a result, 10 persons had to give up their lives in this place being unable to withstand the fury of the flood. It was such a horrible sight that one Shri Hiren Sen, Sector Warden, Ward No. II of Civil Defence Organisation, Jalpaiguri, could not stand it. He, without caring for his personal safety, jumped into the water and took about fifteen men, women and children to a nearby tin-shed known as "Balaram Chala" and thus saved their lives from sure death. Had Shri Sen not taken timely action, disregarding all personal risks and danger, the persons rescued would have been swept away by the flood water and lost their lives.

In rescuing persons—men, women and children—numbering fifteen—from the fury of the flood water and thus saving them from sure death, in complete disregard of his personal safety, Shri Sen displayed conspicuous gallantry, outstanding courage and spirit of self-sacrifice which are indeed worthy of emulation.

AWARD

Dhirendra Metal Works, 7/1 Beneras Road, Salkia, Howrah and their workmen represented by Sarvashri (1) Barun Kumar Bhadra, (2) Narendra Nath Biswas, (3) Linga Raj Dora, (4) Kesto Rao, (5) Bhanu Mukherjee, (6) Gopal Poddar and (7) Shyamsunder Gonda, C/o. Shri P. Pathak, 80 Dawangazi Road, Bally, Howrah under section 10 of the Industrial Disputes Act, 1947, to the First Industrial Tribunal constituted under notification

No. 808 I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication on the following issue:

Issue

Whether the dismissal of Sarbashri (1) Barun Bhadra, (2) Narendra Nath Biswas, (3) Bhanu Podder, (4) Gopal Mukherjee, (5) Shyamsunder Gonda, (6) Linga Raj Dora, (7) Anil Kumar Mallick, (8) A. On receipt of the reference usual notices were issued on both the parties asking them to appear on 30th October 1968 to take necessary direction for filing written statements. The Company appeared on that date. The workmen filed their written statement on 25th November 1968. The Company filed written statement on 2nd January 1969. 19th November 1969 was fixed for filing of documents by the parties. On that date both the parties appeared and stated that they had settled their dispute and only execution of relevant documents was to be completed. So 28th November 1969 was fixed for compromise. On 28th November 1969, compromise petition was filed but it did not contain the signatures of all the workmen concerned. So 8th December 1969 was fixed for filing compromise petition. On 8th December 1969, the parties filed a petition stating that the matter had been settled out of this Tribunal and that they did not want to proceed with this reference. The petition was signed by Shri P. Pathak on behalf of the workman and a representative of the Company. From the said petition it appears that the parties have settled their dispute outside this Tribunal and there is no longer any dispute subsisting between them. The reference should, therefore, be disposed of on a "no dispute" award.

The reference is, therefore, disposed of on a "no dispute award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Electric Construction and Equipment Co. Ltd., P. O. Parbangla, via Batanagar, 24-Parganas and their workmen represented by E. C. & E. (Switch Gear Lift Division) Mazdoor Union, Nankeldanga, P. O. Shyampur, via Budge Budge, 24-Parganas, to this Court by its order No. 3261-I.R./IR/10L-102/68, dated 1st June 1968, under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), for adjudication on the following issue :

Issue

Whether the termination of service of Shri Lalan Singh is justified ? What relief, if any, is he entitled to ?

The case of the workman represented by E. C. & E. (Switch Gear Lift Division) Mazdoor Union (hereinafter referred to as the Workman) is that Lalan Singh was serving under the Company-O.P. (hereinafter referred to as the Company) since 1962 continuously as a Fitter, that he fell sick on and from 28th November 1967 and could not attend his duty from 28th November 1967 to 11th December 1967 and remained absent from duty with proper intimation to the Company on 29th November 1967, that on 13th December 1967 he sent a registered letter attaching a medical certificate in support of his illness for the period he remained absent from duty, that he after recovery from illness reported for duty on 13th December 1967 but the Company refused him employment without showing any reason whatsoever and without allowing him any opportunity to defend himself, that on receipt of his letter, dated 13th December 1967, the Company realised their mistake and to make the record in order, sent a letter to him enclosing a copy of letter, dated 9th December 1967, which was never sent to him (Lalan Singh), that in that letter, dated 9th December 1967, which is alleged to have been sent to him the Company stated that his service had terminated automatically because of his unauthorised absence, that he reported the matter to the Union and the Union failed to settle the matter with the Company and thereafter the dispute was referred to the Labour Commissioner, that the Labour Officer, Government of West Bengal, tried his best to settle the dispute but he failed and as such the matter was referred to the Government of West Bengal recommending adjudication over the dispute, that as such the present reference has been sent to this Court by the Labour Department, Government of West Bengal, for adjudication, that as the termination of service of the workman has been illegal the Union prays for reinstatement of the workman with back wages including bonus.

The case of the Company is that the workman absented himself from duty from 28th November 1967 without any intimation or leave, that after waiting for a reasonable time the Company informed the workman by a letter, dated 4th December 1967, about his absence and advised him to report for duty immediately and to submit a satisfactory explanation for his such unauthorised absence, that the workman neither informed the Company about his absence nor reported for duty within reasonable time, that even then the Company waited for him till 9th December 1967, that ultimately the Company informed him by a letter, dated 9th December 1967, that as he was absenting from duty without permission and/or leave from 28th November 1967 his name was struck off from the Muster Roll of the Company treating that he had left the service of the Company in accordance with the provisions of the Company's Certified Standing Orders, that the said letter, dated 9th December 1967, which was sent to the workman was returned back to the Company with a remark from the post office 'left', that after his name was struck off from the Company's Muster Roll the workman sent a letter, dated 13th December 1967, along with a medical certificate, that the said letter, dated 13th December 1967, was received by the Company on 26th December 1967 and the Company sent a reply to him, that the Certified Standing Orders of the Company provides that if any workman absents himself from duty without permission for more than 10 calendar days he shall be deemed to have left the service of the Company of his own accord, that as such the action of the Company in treating the workman having left his service of his own accord is quite justified and legal and that in the circumstances the Union or the workman is not entitled to any relief in this case.

There is no dispute that the workman Lalan Singh was in service of the Company. There is also no dispute that he started absenting from duty from 28th November 1967. According to the Company the workman absented from duty without any intimation as to why he absented from duty. But according to the Union the workman intimated to the Company that owing to his illness he was not in a position to attend his duty from 28th November 1967 and that by Ext. 1 (letter) such an intimation was given to the Company about the reason for his absence from 28th November 1967. In Ext. 1 it is stated "This is to inform you that I have fallen sick on and from 28th November 1967 for which I could not attend my duty. I would request you to kindly grant me leave till my recovery". This letter is addressed to the Manager of the Company and is dated 29th November 1967. According to the Union the said letter vide Ext. 1 was sent to the Company under certificate of posting vide Ext. 2. Ext. 2 shows that the said letter was posted in the post office on 29th November 1967. According to the Company the said letter did not reach them. According to the Union the said

letter reached the Company and the Company has purposely withheld the record to show the receipt of the said letter by them and that as such from Exts. 1 and 2 it shall be presumed that the said letter reached the Company. On the side of the Company only one witness namely Shri Purushottam Sharma has been examined. He says that he cannot say if the letter received by the Company are entered into any register, that he has not brought any register of the Company showing issue and receipt of letters, that Shri L. B. Giri is their despatch clerk, that the duty of the despatch clerk is to despatch and to receive letters and to maintain the records for the same, that no record of letters received is maintained by the despatch clerk, that letters are addressed to the Manager and not to him by the workman. Ext. 1 is addressed to Mr. N. D. Daga, Manager of the Company. The evidence of P.W. 1 is that no record of letters received is maintained by the despatch clerk is reliable. The despatch clerk also does not come and say that no register is maintained for letters received by the Company. P.W. 1 at first has said that he cannot say if letters received by the Company are entered into a register but subsequently he also has said that no record of letters received is maintained by the despatch clerk. His evidence on this point I find is not at all reliable. It is also not believable that a Company like the present Company would not maintain a register showing receipt of the letters. In such circumstances the Company should have produced the register to show that no such letter vide Ext. 1 which was posted by the workman under certificate of posting vide Ext. 2 was received by the Company. In Ext. 1 the address of the workman was also given.

The learned lawyer for the Company has drawn my attention to page 5 of the Certified Standing Orders vide Ext. J. Clause 4(a) provides that any workman who absents himself without permission for more than 10 calendar days shall be deemed to have left the service of the Company of his own accord. The learned lawyer for the Company has drawn my attention to letter vide Ext. G(1). It is dated 4th December 1967. According to the Union the said letter vide Ext. G-1 did not reach the workman. I have already said that in that letter vide Ext. 1 written by the workman to the Company for his absence his address has been given. But the letter vide Ext. G-1 does not bear the said address as mentioned in that letter vide Ext. 1. In Ext. G-1 it is written "This is to inform you that you are absent from duty since 28th November 1967 without permission. You are hereby requested to report us immediately with satisfactory reasons for your absence, otherwise necessary action will be taken against you under the Standing Orders of the Company." Ext. G 1 I have already said is dated 4th December 1967. The workman began to absent from duty with effect from 28th November 1967. This letter was written within 7 days from the date the workman began to absent from duty. So the said letter cannot be said to have been written as per provisions laid down at page 5 of the Standing Orders vide Ext J as referred to above. This letter further says that the workman was requested to report to the Company immediately with satisfactory reasons for his absence, otherwise necessary action would be taken against him under the Standing Orders of the Company. The learned lawyer for the Company has drawn my attention to Ext. G-2. The said letter is dated 9th December 1967. The said letter also bears the same address as that in Ext. G-1 which is different from that written in the letter vide Ext. 1. According to the Union the said letter did not reach the workman. There is no dispute that the said letter vide Ext. G-2 was sent under registered post in the envelope vide Ext. 1. The envelope vide Ext. 1 shows that there is an endorsement by the post office that the said envelope could not be delivered to the workman as he had left the address written on it and as such it was returned to the Company. So it is found that the letter vide Ext. G-2 did not reach the workman. The provision of the Standing Orders as laid down at page 5 referred to above is that if any workman absents from duty without permission for more than 10 days he shall be deemed to have left the service of the Company of his own accord. This provision of the Standing Orders does not provide for calling for any explanation from the workman for his absence without permission. But the letter vide Ext. G-1 shows that the workman was requested to report to the Company with satisfactory reasons for his absence in default necessary action will be taken against him under the Standing Orders of the Company. In Ext. G-2, it is also written "You have absented yourself from duty without permission since 28th November 1967 for which you could not set forth any satisfactory explanation on being given to you an opportunity for the same". As such your services in this concern are terminated forthwith in accordance with the Standing Orders of the Company." The learned lawyer for the Union has drawn my attention to page 17 of the Standing Orders vide Ext. J. Item No. 9 of the said page is absence without permission or adequate reason. It is provided in that page of the Standing Orders vide Ext. J, that the following acts or commissions shall be treated as minor misdemeanours for which a workman is liable to warning, fine or suspension, the maximum period of suspension which may be imposed be way of punishment being limited to four days in any wage period. Item No. 9 as said above, i.e., absence without permission or adequate reason is one of the items of minor misdemeanours. In the present case it is the case of the Company that as the workman absented himself from duty without permission his name was struck off from the Muster Roll of the Company. The language of the letters vide Exts. G-1 and G-2 are such that they are found not to have written in accordance to the provision as laid down at page 5 of the Standing Orders vide Ext. J. In that case the said letters vide Exts. G-1 and G-2 shall be treated to have written in accordance to the provisions as laid down at page 17 of the Standing Orders vide Ext. J. So the maximum penalty that could be imposed upon the workman is suspension for four days. I have already said that according to the workman the letters vide Exts.

G-1 and G-2 did not reach him. From the evidence and materials on record there are reasons to believe that the said letters did not reach the workman at all and as such I find that the said letters vide Exts. G-1 and G-2 did not reach the workman.

According to the workman as he was ill he could not attend his duty with effect from 28th November 1967. That he was so ill he has not disputed before me. The witness who has been examined on the side of the Company has not also disputed the same. Moreover Exts. 1 and 2 show that the workman sent an intimation to the Company that he was not in a position to attend his duty owing to his illness and prayed for leave till his recovery. From the facts and circumstances of the case and for the reasons stated above I have every reason to believe that Ext. 1 was received by the Company. In such circumstances it cannot be said that the workman remained absent from duty without any information. From the evidence on record I find that because of illness of the workman he could not attend his duty with effect from 28th November 1967.

The learned lawyer for the Company submits that the provision as laid down at page 5 of the Standing Orders vide Ext. J as referred to above authorises the Company to strike off the name of any workman from the Muster Roll of the Company if he absents from duty without permission for more than ten days, that in the present case the workman concerned absented himself from duty for more than ten days and as such the Company as per provision of the Standing Orders was quite competent to strike off the name of the workman from the Muster Roll of the Company and in support of his contention he has drawn my attention to the case reported in 1958 (1) LL.J, Supreme Court at page 260. But the facts of the present case are not similar to those of the case referred to above.

In the present case the workman could not attend his duty owing to his illness. He sent an intimation and prayed for leave as he was ill. The Company asked the workman to show cause for his absence but the letter asking him to show cause did not reach the workman concerned. No departmental enquiry was held against the workman concerned. The workman has not been given any opportunity to show cause for his absence. In such circumstances I find that the striking off the name of the workman from the Muster Roll of the Company or his termination or dismissal from service has been illegal.

Accordingly an award be passed holding that the termination of service of the workman concerned Shri Lalan Singh has not been justified and he is entitled to reinstatement and full back wages including bonus as if his service was never terminated and the Company be directed to reinstate the workman concerned Lalan Singh in service and to pay full back wages including bonus to him within one month from the date of publication of the award in the "Calcutta Gazette".

This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Andrew Yule & Co. Ltd., Engineering Division, "Sirocco Works", Kalyani, district Nadia, and their workmen represented by Davidson Employees' Union, Workshop Road, P. O. Kanchrapara, district 24-Parganas. (Case No. 457 of 1968.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri D. K. Ghosh, Assistant Legal Adviser of the Indian Engineering Association.

Present for the Union: Shri Madan Mohan Saha, Advocate.

By the Government of West Bengal, Labour Department, order No. 8356-I.R./IR/11L-89/68, dated the 22nd November 1968, this industrial dispute between Messrs. Andrew Yule & Co. Ltd., Engineering Division, Sirocco Works, Kalyani, and their workmen was referred to this Tribunal under section 10 of the Industrial Disputes Act for adjudication upon the issue mentioned below.

Issue

Whether dismissal of Shri David James is justified? To what relief, if any, is he entitled?

On receipt of notice both the parties made appearrance and filed their respective written statement.

The case of the Union is as follows:—

Shri David James was an employee of Messrs. Davidson of India Private Ltd., which was subsequently taken over by Messrs. Andrew Yule & Co. Ltd. David James became a victim of colic pain and he was under continuous medical treatment. This fact was known to the Company. It was because of colic pain that David James could not attend office regularly and that he had to remain absent. He submitted medical certificates for his absence which were granted by the authorities concerned. On 28th November 1966 the Company issued a charge-sheet against him for his alleged absence from duty for 27 days, 39 days and 18 days in regard to the years 1964 and 1965, and till October 1966 respectively. David James submitted his reply to the charge-sheet. On receipt of his reply the Company held a pretended enquiry on 2nd December 1966 in gross violation of the principles of natural justice and dismissed him from service by a letter, dated 7th December 1966. The Management did not offer him proper scope for self defence at the pretended enquiry, and the said enquiry suffered from serious infirmities. In the said enquiry the enquiring officer told David James that no action would be taken against him if he would plead guilty to the charge. David James in good faith acted upon the instructions of the enquiring officer. But the Management dismissed him from service acting on the basis of the report of the enquiring officer. Hence, it is pleaded by the Union, the dismissal order against David James was illegal and unjustified. The Union thereafter took up the matter and referred it to the Conciliation Officer. Conciliatory attempts having proved abortive, the present reference has been made to the Tribunal.

The case of the Company is that David James remained absent from duty without intimation and that as he did not make any application for the days of his absence, his absence was quite unauthorised. The further case of the Company is that Shri David James was guilty of habitual absence without permission. The Company denies that there was anything wrong with the enquiry against Shri David James. It is also the case of the Company that Shri David James pleaded guilty to the charge against him voluntarily without any persuation or inducement whatsoever.

Decision

First of all, it is to be seen as to whether David James was given proper opportunity of self defence at the enquiry. Ext. C is the enquiry proceeding. It appears that David James pleaded guilty to the charge. The Union tried to make out a case in the written statement that the confession of guilt was obtained from David James by the Company by way of inducement. It is alleged by the Union that the enquiring officer told Shri David James that his case would be favourably considered in case he pleaded guilty to the charge. P.W. 2 Shri Milan Kanti Ghosh is the Secretary of the Union. He represented David James at the enquiry. His evidence is that the enquiring officer said that it would be better for David James at the enquiry. His evidence is that thereafter his case might be considered favourably. The question is whether the evidence of Milon Kanti Ghosh is true or not. David James examined himself in this case, as P.W. 1. Nowhere in his evidence he does say that he was induced by the enquiring officer to plead guilty to the charge. On the other hand he admits that the charge levelled against him was true. It is, therefore, clear that the Union's story of inducement by the enquiring officer is absolutely false. David James was allowed to be represented by the Secretary of the Union. Thus he was given proper opportunity to defend himself. At the enquiry he pleaded guilty to the charge. So I find nothing wrong with the enquiry proceedings, and I find the enquiry held was fair and proper.

It is submitted by the learned lawyer for the Union that the charge framed against David James by the Company was defective and vague. Ext. B is the charge-sheet. It has been stated in it that Devid James remained absent from duty for 27, 39 and 18 days in regard to the years 1964, 1965 and the current year till October respectively. The learned lawyer for the Union wants to say that in the charge-sheet the Management should have stated the specific dates of absence. It is true that the Management would have done better if they mentioned the dates of absence in the charge-sheet. But it is not the case of David James that he did not understand the charge against him. On receipt of the charge-sheet he submitted his explanation. In the explanation he did not make out any case that he did not understand the charge against him. On the other hand, he practically admitted his guilt. He merely said that as he was suffering from colic pain he could not attend his duty. David James understood the charge levelled against him. So simply because of the fact that the dates of absence were not mentioned in the charge-sheet, it cannot be said that the charge-sheet was vague and defective. It cannot be said that the enquiry was improper.

It appears that on 23rd November 1966, the management wrote a letter to David James. Ext. A(3) is that letter. By this letter David James was asked to explain as to why he had absented himself from duty without any permission whatsoever for 20 days up to November 1966. It appears that David James submitted an explanation. Ext. A(4) is the explanation. It is dated 24th November 1966. Four days after this the management issued the charge-sheet against David James. It is submitted by the learned lawyer for the Union that as nothing was done by the management in respect of the notice, dated 23rd November 1966, it is to be taken that the management dropped the matter and, as such, the charge-sheet issued against David James is illegal.

He wants to say that David James was charge-sheeted twice for the same offence. I find no substance in this submission. By the letter, dated 23rd November 1966, the management asked David James to show cause for his absence without permission. On 24th November 1966, David showed cause for his absence. Evidently the management was not satisfied with his explanation, and they decided to draw up a formal charge against him. The very fact that the charge sheet was issued on 28th November 1966, i.e., 4 days after the explanation submitted by David James, goes to indicate that the matter was not dropped at all by the management. On 23rd November 1966, charge-sheet was not issued in proper form. On 28th November 1966, the management decided to issue a charge-sheet in proper form. There is nothing wrong in this procedure. It cannot be said that the workman David James was charge-sheeted twice for the same offence. It appears that David James was previously warned for absence without permission. In the charge-sheet, Ext. B, dated 28th November 1966, there is also mention of absence during the years 1964 and 1965. So it is submitted by the learned lawyer for the Union that the charge is illegal. Here also I find that the contention of the Union is not correct. This is a case of 'habitual absence without permission'. In a case of habitual absence without permission past records can be taken into consideration. In my opinion the charge-sheet was not at all defective. I find that David James was given proper opportunity of defence at the enquiry. I, therefore, find that the enquiry held was fair and proper.

Let me assume that the enquiry was not fair and proper. Even then I find that the management was justified in dismissing David James from service. Exts. H, H(1) and H(2) are the charts in respect of attendence position of David James. These charts were prepared in accordance with the attendance register. O.P.W. 3 Anil Kumar Ghosh, the Time Keeper of the Company, proves these. It is clear that David James remained absent without permission on several dates in 1964, 1965 and 1966. David James wants to say that as he had been suffering from colic pain he had to remain absent from duties on those dates. But it does not seem that he filed applications for leave on those occasions of absence. Ext. B contains the explanation given by David James. Ext. A(4) is the explanation submitted by David James on 24th November 1966. In these two explanations David did not make out any case that he submitted leave applications for the absence on the days mentioned in the charge-sheet. It is therefore clear that David James did not submit any leave application for the days of absence mentioned in the charge-sheet. So it is evident that David James remained absent from duty without permission. David James himself admits in his evidence that when leave is sanctioned leave-pass is issued by the Company, and that he was not granted leave-passes for the periods of absence mentioned in the charge-sheet. He further admits in his cross-examination that the charge-sheet, dated 28th November 1966, in respect of his absence is true. I am satisfied from the evidence on record that David James was guilty of habitual absence without permission.

I find that the management was justified in dismissing David James from service. He is not entitled to any relief.

This is my award.

Present:

Shri R. R. BANERJEE, Judge,
Second Industrial Tribunal.

This dispute between Messrs. Jay Engineering Works Ltd., 183A Prince Anwar Shah Road, Calcutta-31 and their workmen represented by the

Jay Engineering Workers' Union, 392 Prince Anwar Shah Road, Calcutta-45, has been referred to this Tribunal under section 10 of the Industrial Disputes Act, 1947, by the Government of West Bengal, Labour Department, by its order No. 5947-I.R./IR/10L-166/66, dated 15th November 1967, for adjudication on the following issue:

Issue

'What should be the quantum of bonus payable to the workmen for the accounting year ending 31st March 1967'?

After due notice the parties entered appearance and filed their respective written statements. Ultimately they filed a joint petition of compromise on 25th November 1969 praying for passing an award in terms of the agreement.

The dispute that has been referred to this Tribunal is as I have already specified, what should be the quantum of bonus payable to the workmen for the accounting year ending 31st March 1967'. In other words this Tribunal has been asked to adjudicate on the dispute between the parties regarding the bonus payable to the workmen for the period from 1st April 1966 to 31st March 1967. But the joint petition of compromise shows that it contains agreement between the parties regarding the bonus for the financial years 1965-66, 1966-67, 1967-68, 1968-69, 1969-70, 1970-71, 1971-72. Rule 20D of the West Bengal Industrial Disputes Rules, 1958, framed under the Industrial Disputes Act, 1947, specificaly lays down that Industrial Tribunal cannot add to the point or points in dispute referred. Under the circumstances this Tribunal cannot pass any award regarding the bonus for the financial years excepting the financial year ending 31st March 1967. This being the legal position, any award passed in respect of the bonus for years other than referred to will be without jurisdiction and a nullity. The only term in the joint petition of compromise which relates to the bonus payable to the workmen for the accounting year ending 31st March 1967 should, therefore, form part of the award.

Hence, ordered that this case is disposed of on compromise without costs. The only portion of the petition of compromise which relates to the bonus payable for the financial year ending 31st March 1967 do form part of the award.

Short Recital of the Case

Whereas Bonus disputes in respect of the financial years ending March 1963 through 1968 are pending before various Courts/Tribunals.

The Company holds that after the promulgation of the Payment of Bonus Act, 1965, bonus is payable in terms of the said Act, and bonus in respect of the years ending March 1965 through 1968 was announced and paid accordingly.

The Union holds that bonus should be paid according to past practices even after the promulgation of the Bonus Act.

Having regard to their respective views and to various cases and decisions of the Courts, the parties desire a package settlement of the pending bonus disputes for the years ended March 1966 through 1969 and to lay down an agreed basis of bonus payment for the years 1969-70, 1970-71 and 1971-72, so as to avoid litigation and disputes on the bonus issue.

After protracted negotiations between the parties, and after taking into consideration the legal position and the provision of the Bonus Act to the effect that employers and employees of any establishment can enter into agreement for granting bonus under a formula which may be different from that under the Act, the parties have agreed upon the provisions contained in this agreement. The parties particularly desired a formula other than the formula under the Act for avoidance of unnecessary disputes every year.

Terms of Settlement

Bonus for the financial year 1966-67

Bonus for the year would be payable at the rate of 13 per cent. of earnings.

Two months' puja time bonus payments already made in relation to these years will be adjusted against the bonus entitlement as agreed. The balance if any will be paid to the workers by 31st March 1970.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri S. K. Bhanja Choudhury, Advocate.

Present for the Workman: Shri S. K. Banerji, Labour Adviser.

By the Government of West Bengal, Labour Department, order No. 2298-I.R./IR/10L-391/68, dated the 8th April 1969, this industrial dispute between Messrs. Bharat Battery Mfg. Co. (P) Ltd. and their workman Shri Arun Ghosh was referred to the Fifth Industrial Tribunal under section 10 read with section 2A of the Industrial Disputes Act, for adjudication upon the issue mentioned below.

Issue

Whether the dismissal of Shri Arun Ghosh is justified ? What relief, if any, is he entitled to ?

On receipt of notice both the parties made appearance and filed their respective written statement.

The case of the Company is as follows:—

On account of some labour trouble the management was forced to declare the factory closed from 5th July 1967. After some negotiations a settlement was arrived at and it was agreed that the factory would be reopened and the employees would report for duty on 5th February 1968. Shri Arun Ghosh did not report for duty on 5th February 1968 and gave no intimation to the Company. Then a notice was issued to Shri Arun Ghosh on 22nd April 1968 asking him to report himself to the Head Office within 3 days from the date of receipt of the letter. Even then Shri Ghosh did not report for duty. Then a charge-sheet was issued against him. Shri Ghosh submitted his explanation to the charge-sheet. The explanation having been found unsatisfactory, the management ordered a domestic enquiry into the charges against him. Thereafter notice was served on Shri Arun Ghosh asking him to attend the enquiry, but he did not attend it. The dates of enquiry had to be shifted because of Shri Ghosh's taking up different pleas. Ultimately the enquiry was held on 31st July 1968 in absence of Shri Arun Ghosh. The enquiring officer found Shri Arun Ghosh guilty of the charges and recommended for his dismissal. The management accepted the recommendations of the enquiring officer and dismissed Shri Arun Ghosh from service.

The case of the workman is that as notified he went to the factory on 5th February 1968 but he was not allowed by the Management to join his duties, and then on receipt of the Company's letter, dated 22nd April 1968, he went to the Head Office on 26th April 1968 but the Managing Director was not available there and, as such, he was not guilty of the charges levelled against him. The workman further alleges that the enquiry was not fair and proper and that he was not given proper opportunity to defend himself.

Decision

First of all, I shall consider whether the enquiry held was fair and proper. Ext. 4 is the charge-sheet. On receipt of this charge-sheet Arun Ghosh submitted his explanation. Ext. 4(a) is the explanation given by Arun Ghosh. It appears that on receipt of his explanation the Management directed an enquiry into the charges against him. It also appears that the dates fixed for the enquiry had to be shifted because of Shri Ghosh's taking different pleas at different times. It seems to me that the pleas taken by the workman Shri Arun Ghosh for not not attending the enquiry on the dates fixed by the Management were not reasonable. So the Management was justified in holding the enquiry ex parte. Even then it is to be seen as to whether the enquiring officer was justified in finding Shri Arun Ghosh guilty of the charges. There were two charges against Shri Ghosh, viz., (1) absence without permission for a long period and (2) malingering and avoiding work. Ext. E is the enquiry proceeding. Ext. E(1) is the report of the enquiring officer. It seems that the enquiring officer examined as many as five witnesses.

Ext. F is the draft copy of the Standing Orders. But it is not the certified standing order of the Company. So it must be left out of consideration. Ext. 10 is the certified standing order which has been filed by the workman concerned in this case. It will appear from the standing orders that a workman cannot be dismissed for an offence of 'malingering and avoiding work'. For such an offence a workman may be suspended, and nothing more than that. But a workman is liable to be dismissed if he is found guilty of "wilful absence without leave on three occasion in a month or absence without leave for more than three days, consecutive". Now the question is whether three was evidence before the enquiring officer that Shri Arun Ghosh had absented himself from duty without leave for more than three days, consecutive. I have perused the evidence of all the witnesses examined by the enquring officer. There is evidence that Shri Arun Ghosh did not attend the factory on 5th February 1968. There is also evidence that Shri Arun Ghosh did not attend the factory on 26th April 1968. But there is no evidence that Shri Arun Ghosh absented himself from duty, without leave, or three consecutive days. I, therefore, find that the findings of the enquiring officer were perverse and consequently it must be held that the enquiry held by him was not fair and proper. Shri Ghosh was dismissed on the basis of the enquiry report. So it must be held that the Management was not justified in dismissing Shri Ghosh on the basis of the enquiry report. However, let me see whether Shri Arun Ghosh was guilty of the charges complained of. It is not necessary to go into the charge No. 2 because, even if it was found that Shri Ghosh was guilty of that charge, he would not be liable to be dismissed under the standing orders. It is to be seen whether Shri Ghosh was guilty of the charge No. 1, i.e., whether he absented himself without leave for a long period. Admittedly Shri Arun Ghosh was asked to report for duty on 5th February 1968. The relevant portion of the evidence of Arun Kumar Ghosh, P.W. 1, is as follows:—

> "On 5th February 1968 I went to the gate of the Karkhana along with Pannalal Paul. I was called in the office by the Managing Director. I asked for punching card before going to the Managing Director. I was told that first of all I should see the Managing Director and then I would be given the punching card. I then went to the Managing Director. His son was also present there. There was another man, not known to me, present there. Samarendra Babu asked me to sign a written paper. I wanted to read the paper, but he did not allow me to read the paper and asked me to go away. The Managing Director then called me a communist. He then told me that my uncle Shri Sailen Ghosh should see him later on."

His evidence shows that he was not allowed to join his duties as he refused to sign a paper without reading the contents therein. The Company has not examined any witness to rebut the evidence of Shri Arun Ghosh. Of course, the enquiring officer examined some witnesses who denied the allegations made by Shri Arun Ghosh. But I find that the enquiry held was not fair and proper. So the evidence recorded by the enquiring officer cannot be taken into consideration now. Samarendra Babu or his father does not come forward before this Tribunal to deny the allegations made by Shri Arun Ghosh. That being so, I must accept the evidence of Shri Arun Kumar Ghosh. Moreover his evidence has been corroborated by P.W. 2 Shri Pannalal Paul on this point. It appears that Shri Pannalal Paul resigned his job by a letter, dated 11th March 1968. Now Shri Pannalal says that his services had been terminated. So it is submitted by the learned lawyer for the Company his evidence should not be believed. But it should be remembered that Pannalal Paul says in his evidence that he did not get any letter from the Company termminating his services. It is clear that he wants to say that his services were terminated by way of resignation. That being so, the evidence of Shri Pannalal Paul cannot be disbelieved. I find from the evidence that Arun Ghosh was not allowed to join his duty on 5th February 1968. So it cannot be said that he absented himself from duty without leave or without permission on 5th February 1968. The Company sent a letter to Shri Arun Ghosh. Ext. 2 is the letter. It is dated 22nd April 1968. By this letter Shri Ghosh was asked to report to the Head Office within three days from the date of receipt of the letter. It is stated in the letter that if Shri Arun Ghosh did not report for duty within three days from the date of receipt of the letter, the Management would treat his services terminated by way of voluntary abandonment. The evidence of Shri Arun Ghosh is that on 26th April 1968 he went to the Head Office to report himself for duty, and that Samarendra Babu was not available there at that time. I have already stated above that the evidence of witnesses that were examined by the enquiring officer cannot be taken into consideration now. There is no evidence before me from the side of the Company that Shri Arun Ghosh did not report for duty on 26th April 1968. On the other hand, the evidence of Shri Arun Ghosh has been corroborated by P.W. 3 Ananta Bhattacharyya on this point. I am convinced from the evidence on record that Shri Arun Kumar Ghosh reported himself at the Head Office on 26th April 1968, as directed by the Management. So I find that Shri Arun Ghosh was not at all at fault. Moreover it is not the case of the Company that Shri Arun Ghosh abandoned his services. Shri Ghosh wrote several letters to the Management. It appears that he never intended to abandon his employment. In fact the Management does not rely on the letter.

dated 22nd April 1968. There is no evidence before me that Shri Arun Kumar Ghosh absented himself from duty without leave for three consecutive days. It may be that Shri Ghosh did not actually attend his work for more than three days. But that was not due to his fault. The Management did not allow him to attend his work. So I find that the Management adopted unfair labour practice in dismissing Shri Arun Ghosh.

It is directed that the Company shall reinstate Shri Arun Kumar Ghosh to his former post of employment and pay him all back wages and other dues, if any, within one month from the date of publication of the award in the "Calcutta Gazette".

On receiving the reference this Tribunal issued notices on the parties. Notices were served on all three Unions and on also all the employers excepting employers No. 15 Messrs. P. B. Banerjee, No. 23 Messrs. P. S. D'Souza & Co., No. 28 Messrs. Pran Gobinda Thakur, No. 32 Messrs. Makhan Lal Gorai, and No. 34 Messrs. Md. Yasin. Regarding the employer No. 28 Pran Gobinda Thakur, it is reported by the postal peon that he is dead.

On 16th October 1969 the United Contractors' Workers' Union, Puranhat, Burnpur, filed a petition along with a Memorandum of Settlement stating that at the intervention of the Addl. Labour Commissioner, a settlement was reached between the parties on 12th September 1969 and this Union prays for ad interim award in terms of the settlement.

Today the learned President of the United Contractors' Workers' Union, Puranhat, Burnpur, namely, Shri C. S. Mukherjee, Advocate and also the learned representative of 23 employers namely, employers Nos. 1, 2, 3, 4, 5, 7, 8, 9, 10, 11, 14, 16, 18, 19, 20, 21, 22, 24, 25, 27, 29, 30 and 33, Mr. Nikhilesh Das, Advocate, are present before this Tribunal and both of them pray that an ad interim award may be passed in terms of clause (m) of the Memorandum of Settlement filed by them.

It appears from the Memorandum of Settlement filed in this case that all the three Unions are parties in it. Regarding the employers, 33 different names appear in the Memorandum of Settlement. On a comparison of all the names of the employers as given in the order of reference with the names appearing in the Memorandum of Settlement, I find that some of the employers named in the Memorandum of Settlement have not been sentioned in the order of reference and they are:—

T. P. Chatterjee,
Jadu Sharma,
Haradhan Das,
J. L. Gupta,
Haru Thakur, and
Dayamoy Chatterjee.

It is submitted by the learned Advocates of the employers and the Union present today that the employer "Gupta & Co." appearing in the Memorandum of Settlement is the same as "P. C. Gupta & Co.," who is employer No. 29 in the order of reference. It is also submitted by them that the employer "B. N. Gorai" appearing in the Memorandum of Settlement is the same as "Gorai & Sons, Hutton Road, Asansol", who is the employer No. 18 in the order of reference.

It may be noted that the employers Nos. 23 and 34 in the order of reference namely, P. S. D'Souza & Co., and Md. Yasin upon whom notice of this reference has not been served, have joined in the Memorandum of Settlement.

I have already mentioned that the postal peon has reported that the employer No. 28 of the reference namely, Pran Gobinda Thakur, Hirapur, Burnpur, is dead. I do not know if he is the same person as "P. G. Thakur" who has joined in the Memorandum of Settlement.

It may be noted that the name of employer No. 4 in the order of reference is "Shibon Kumar Dutta, Puranhat, Burnpur" whereas we get a name as "Shiba Kr. Dutta" in the Memorandum of Settlement and it may be assumed that the person is the same. Again the employer No. 5 in the order of reference is "Narendra Krishna Das, Apcar Garden, Asansol" but there is no such name in the Memorandum of Settlement where we get one name as "N. Das". It may be assumed that the person is the same. The name of employer No. 7 in the order of reference is "Sachin Kumar Dutta, Puranhat, Burnpur", but we do not get any such name in the Memorandum of Settlement where there is one name as "S. K. Dutta" and it may be taken that the person is the same. Similarly, I may take that the employer No. 13 in the order of reference namely, "Shambhu Nath Chatterjee, Subhaspally, Burnpur" is the same as "S. N. Chatterjee" as appearing in the Memorandum of Settlement.

It is submitted by the learned Advocate for the Union that the employer No. 32 of the order of reference namely, "Makhan Lal Gorai, Puranhat, Burnpur" will be the employer "M. L. Gosai" whose name appears in the Memorandum of Settlement and that inadvertently the surname has been given as "Gorai" instead of "Gosai" in the order of reference.

It may further be noted that the name of employer No. 9 in the order of reference is "D. B. & Hara Thakur, Hirapur, Burnpur", and I do not know if he is the same person as "Haru Thakur" as appearing in the Memorandum of Settlement.

In this connection I may mention that the Thikadar Mazdoor Congress, who is one of the Unions in the order of reference filed a petition on 18th August 1969, praying for an ad interim award. The learned representative of this Union is not present today. It is submitted by Shri C. S. Mukherjee, learned representative of the United Contractors' Workers' Union, Puranhat, Burnpur, and also by Shri N. Das, learned representative of the appearing employers that no orders need be passed on that petition filed by Thikadar Mazdoor Congress on 18th August 1969, as that Union has also joined in the Memorandum of Settlement along with the other two Unions. Under the circumstances I do not pass any order on the petition filed by the Thikadar Mazdoor Congress on 18th August 1969 and this petition may be filed.

I have considered the terms of the Memorandum of Settlement filed before this Tribunal on 16th October 1969. The terms appear to be fair, reasonable and lawful and let the Memorandum of Settlement be recorded.

I accordingly pass an ad interim award in the instant reference in terms of this Memorandum of Settlement which do form part of the ad interim award.

Minutes of Dissent

I

The decision of the Select Committee to retain Four-Tiers—*Gram Sabha, Anchal Panchayat, Block Samiti* and *Zilla Parishad*—in modification of the Statement of Objects and Reasons, is appreciated but the proposed set-up of the Block-level body needs modification, both in regard to composition and election as also to powers and functions.

2. The scheme of having a large *Zilla Parishad* with numerous members elected directly by *Gram Sabha* members with a smaller *Zilla Panchayat* as its Executive organ on the analogy of the *Bidhan Sabha* and the Cabinet of Ministers, holding office only so long as it commands majority, appears to be misconcieved and unrealistic and would entail heavy expenditure without ensuring better services to the people. This would foster groupism and defections, instability and dishonesty and public interest will suffer. Such an arrangement will not provide any improvement over the present position.

3. In disregard to the principles proposed in the Statement of Objects and Reasons adequate resources have not been made available to the new bodies to enable them to discharge their responsibilities and no provision has been made to ensure all Development Programmes to be channelled through these *Panchayat* Bodies.

4. There are too many matters left to be determined by the State Government under Rule-making Power. The drawbacks of such "Delegated" legislation should be removed as far as possible.

5. Due care has not been bestowed to determine the method and procedure for elections to respective *Panchayat* Bodies. The Administrative Reforms Commission as also some experts think that "meticulous application of the ballot system is unsuited to conditions of our village life."

In a Report released recently the Commission obesrves:

> "Elections to village *Panchayats* have generally aggravated factional spirit in the villages. It has widened the gulf of discord between individuals, groups and communities." "The system of elections now in vogue in village *Panchayats* has not only aggravated various types of discords that lie dormant in the villages but also added new ones. Village life gets greatly disturbed by the spirit of rivalry and unhealthy competition that election generates."....."The motivations of village voters show that considerations of kinship and caste take first place in choosing candidates while personal qualifications and attainments take almost the last place."

These warnings should be heeded.

6. Some provisions in the Bill are unrealistic and involve unnecessary expenditure, e.g., the provision for circulation of printed copies of the budget of *Gram Sabhas*.

III

1. The fundamentals or basic principles of *Panchayati* institutions on the basis of which, the West Bengal *Panchayat* Bill has been drafted, as has been referred to in paragraph 5 in the Statement of Objects and Reasons of the Bill, have been totally betrayed.

In lieu of three-tier structure of self-governing bodies, the Bill actually contemplates five-tier structure, such as, *Gram Panchayat*, *Anchal Panchayat*, *Block Samiti*, *Zilla Parishad* and *Zilla Panchayat*, which will vitiate the very purpose of *Panchayat Raj*.

Adequate provisions have not been also made for making resources available to the new bodies so that these bodies can discharge their responsibilities fully well.

2. In re-organising *Panchayats* from the village level, the Bill incorporates therein a very undemocratic provision in Clause 168 (Transitory provision), when it contemplates that with the coming into force of this Act, all the members of the *Gram Panchayats*, *Anchal Panchayats*, *Anchalik Parishads* and *Zilla Parishads*, then holding offices, shall vacate their offices, and the State Government shall appoint an Administrator for each of the bodies to exercise, perform, and discharge all their powers, functions and duties.

Such provision is the denial of democratic rights to duly elected bodies. Neither this arrangement is congenial to the growth of democratic institutions. This provision would surely hit at the very root of democracy.
